We will be having another Assembly in just two months! We have passed out flyers, and have emailed digital copies. We ask that you please email the flyer to your area and post it on your websites. Please remind the fellowship that **this event is open to the entire NA membership**, not just GSRs! You can find registration and all

details at [naflorida.org/GSR](http://naflorida.org/GSR). For those of you in the room, you can register by pointing your mobile phone's camera at the QR code and tapping the link that appears. It only takes a minute. Also, be sure to book your room(s) before the February 22nd cut off. The RD/AD team provided a best practice to answer most of your questions in relation to booking rooms.

Please sign up to volunteer for the registration desk at [naflorida.org/gsr/volunteer](http://naflorida.org/gsr/volunteer)

We analyzed our current duties and responsibilities and compared them to what is listed in the Guide To Florida Regional Service and have submitted a proposal for the body's consideration to keep the Guide in line with our current practices that help the region run efficiently.

We are distributing 1 CAR per area and 1 for each admin member.

### **Reports:**

For all trusted servants who are submitting a report, please make sure your reports are submitted by one week from today, **Sunday, January 29, 2023**, so we have enough time to process the minutes. If you are having difficulty submitting your report, please let us know how we can assist.

H&I currently has 19 panels and are active in the Pinellas County Jail and most of all to local treatment centers in the county. Helpline are taking very few live calls. We believe the automation are taking calls we cannot measure. Activities had a successful New Year's Eve event. There were no business for Policy that meets each month 30 minutes prior to ASC. The latest and most updated policy is found online at BASCNA.org. PR has business cards and T shirts that displays QR codes taking you to the current meetings of the Bay Area. One agency purchased 2000 cards as resources for their clients. Bay Area will be joining Tampa Funcoast and Suncoast co-hosting a Conference Agenda Report (CAR) workshop on February 19th.

### **What events is your Area hosting in the next 2 months?**

We will be co-hosting the CAR workshop on Feb. 19th

## ***H & I Resource Coordinator Report***

Hello RSC,

The last couple of months have been busy for me personally, so I was not able to make as many calls as I would like. I was able to connect with a few H & I chairs and continue to build relationships with others. The consensus from all over is lack of volunteers to hold H & I commitments. I will continue to be available for needs and issues that are going on. My commitment is up this year, and I will NOT be staying on for another term, so please let all your H&I peeps know about this position. I myself will also be trying to recruit some people. I do have the willingness to help guide my replacement and there are also lots of members in the region that can help guide too. Please have your H & I peeps fill out the HRP Volunteer Form.

In Loving Service,  
Dan T.  
H&I Coordinator

## ***Public Relations Resource Coordinator Report***

We have contacted Mary from Omaha Nebraska thanked her for reaching out to the Florida Region asking that if we had groups needed any help with funds and literature.

We attended Fellowship Development zoom meeting – Met on Dec. 4th. Cindy – a meeting for all resource coordinators and our fellowship development leaders to communicate, share ideas and collaborate. Attendance was small – PR resource coordinator turned in the PR budget and PR Basics ( Best Practices) to Fellowship development Co Leader as requested.

We Received an email from an NA member from Big Bend area –requesting information about having a meeting space in his organization available for an NA meeting – We reached out to the Big Bend PR subcommittee chair and gave him the information to get in contact with the member.

We Received an email from the director of Alachua Academy, a substance abuse program for teen girls committed to the Department of Juvenile Justice in Gainesville – they want to establish an on-site NA meeting for their program. We reached out to the RCM of Uncoast area to get the contact information of the PR Chair in order to link the local service body to this facility. We also sent the Director an email to thank him for reaching out and to let him know we are working on contacting the local NA Public Relations committee to contact him.

## ***Technology Resource Coordinator Report***

IT Report January 2023

YAP Helpline System - Everything is going well.

We're still working on getting Rivercoast moved over to YAP but they've had some issues due to their phone line service being in an addict's name who is no longer in the program.

Since November, I was contacted by:

Daytona Area regarding their event calendar on their website (resolved)

Heartland Area about their non working meeting list plugin on their website (resolved)

Heartland Area requested help with their hybrid setup for H&I subcommittee and ASC (resolved)

Greater Orlando Area about changing their YAP greeting to a custom one (in progress)

Treasure Coast about wanting an online literature order form for their area (info passed along)

Calendar - For ease of use, we've added a "submit an event" form on the events page. It allows anyone to submit an event through a form on the website. <https://naflorida.org/events/>

Check out our area website, [naflorida.org](https://naflorida.org). There are links to fill out your RCM report, most recent minutes, hotel booking links, zoom links to join virtually, upcoming events throughout the Region and a lot more! We recently added a search bar to the site so if you're looking for a specific resource, you can easily find it by utilizing the search feature. (talk about drive) We're also working on adding access to a public folder on our Google Drive. This would enable FD, Coordinators, and Admin to add their own resources for members to easily access through the website.

Budget- The budget has increased this year due to an additional plugin for the website that will allow more materials to be made publicly available on the website (PR materials, workshop, videos, materials created by workgroups, etc) and to buy additional equipment for hybrid setups. Hybrid isn't going anywhere and really, the cost savings in allowing Bermuda to participate virtually versus buying a plane ticket for them to attend every RSC makes it financially prudent many times over. The equipment that needs to be purchased is as follows: Cable covers (so we're not having to tape down extension cords), more wireless mics, extra power strips (some of ours are starting to break), and a presentation clicker.

We are still looking for a Technology Alternate Resource Coordinator. RCMs, please bring this back to your areas and inquire with your local tech gals/guys. Tell them to go to <https://www.naflorida.org/tech/> for more info.

## ***Corrections Resource Coordinator Report***

Greetings Florida Region,

My name is Colin H and I'm an addict. I am currently serving as the Corrections Coordinator for the Florida Region and the lead for the Corrections Workgroup.

What is the corrections workgroup you say?

The corrections workgroup consists of several related projects that serve to bring the message of NA recovery to the addicts behind the walls in the state of Florida. We also work with and educate the administration at the state level DOC regarding the continued success of NA to improve the lives of those they serve. Please be aware that working with the DOC does not mesh well with the spirit of rotation and does not sync up with the spirit of anonymity.

These top level projects are:

Behind the Walls: taking meetings into and building home groups that exist behind the walls of state and federal correctional institutions. This includes literature delivery to institutions to support this effort. The end game for this project is to have the addicts behind the walls running their own meetings. Depending on the institution, there are varying levels of this occurring.

The Inmate Step working guide group is alive and well and anonymously working steps through the mail with those behind the walls. This group is based out of the Gold Coast area. The last numbers I received in October was that around 30 addicts were working steps anonymously with this group.

The Bridging the Gap program is alive and well and addicts are being scheduled to meet those who are getting released at a meeting. Recently as part of brainstorming during the workgroup, the bridging the gap program is being opened up outside of just those within the corrections workgroup. There are several members in various H&I subcommittees across the region that we have found would be willing to meet members after their release. Please bring up at your H&I areas if you would like to share your contact list with us for your area for this effort.

The Between the walls program is still in beta and should be starting in the next few months. This will start at the NW Florida Reception Center and we are still working out the details. This institution was chosen by Tallahassee since everyone at that institution has less than a year left to serve on their sentence. The DTEN Zoom monitor is set up and we are actively meeting with the warden and chaplain at that institution

This means you will be able to chair a Zoom meeting from the comfort of your couch where all the participants are behind the walls at a Florida institution. Please contact me or the workgroup because we need volunteers to do this! I know several of you have told me that the reason you don't want to serve is because of the anxiety of going into prisons, so this is your solution!

The workgroup meets every other Thursday from 8-9p over Zoom.

## RSC Minutes January 15, 2023

The Zoom info is :

<https://us02web.zoom.us/j/89524891377?pwd=VnJDRS85LzE1b0gzQXh6SFJJam9pdz09>

Meeting ID: 895 2489 1377

Passcode: 935507

Please join the workgroup if you want to serve but not sure how. We have a secretary! Ashby S. from the Uncoast and has been learning the ropes quickly.

The volunteer system for the state level DOC has changed and is entirely online. It does require a level 2 background check and fingerprints to be done. Please review the powerpoint about the process here ....

<http://www.fdc.myflorida.com/volunteer/documents/Training-powerpoint-for-Regular-Volunteers-updated-10-4-21.pdf>

.....and then apply at this link:

Florida DOC Volunteer Application

<https://apps.fdc.myflorida.com/VolunteerApplication/volunteer/create>

and then either keep in touch with me, [crc@naflorida.org](mailto:crc@naflorida.org), Colin - 352-642-2680 or track it yourself using the FDOC Checklist found here:

<http://fdc.myflorida.com/volunteer/Becoming%20a%20FDC%20Volunteer%20Checklist.pdf>

The DOC has an email problem so sometimes the volunteer forms don't get through. If you don't get an email right away when you submit your first volunteer form, (check spam), then contact me to give you another link to try.

Updates! We need volunteers to lead morning Zoom meetings for the NW Florida Reception Center pilot program for Zoom behind the walls meetings. We are down to the last parts of the talks so expect to have meetings running within the next few months! The meetings will likely be a week day (the present discussion is for Tuesday) and it's going to be starting around 10a. This will be a 90 minute meeting. So if you are retired or just off on a weekday and would like to carry the message to the most concentrated place it is needed, please reach out to me.

The East Coast Convention was a huge success and made just over fifty thousand dollars to donate books for those behind the walls. We have received the shipment for that this past few weeks consisting of just under 100 basic texts, so large thanks to them for supporting recovery behind the walls in the Florida Region.

Hope rises is amazing and continues to provide literature to ongoing BTW meetings in the Florida Region.

The documentation for supplying the IPs to the tablets is still sitting in the legal department in Tallahassee -- Recently, Indiana approved the NA literature for all of their prisons with tablets. I've been sending promotional NA videos from that approval to my contact at Tallahassee to hopefully shame them to get us moving forward towards an approval. Please show up to the bi-weekly meeting on Thursdays.

## RSC Minutes January 15, 2023

I have met with one of the Coleman Federal substance abuse representatives who has posted our flyers at Coleman for individuals who would like to pursue more information about NA while they are there.

### Institution Status

Lowell meetings continue to occur at the Women's Reception Center and the work camp, with meetings are going strong and I'm happy to report that they have a meeting at Lowell every week! Technically it's every other week at the Work Camp and every other week at the Reception Center, but we are there weekly bringing the message. Thank you to the woman who have stepped up to make that a reality. Men, we need you!

Lawtey CI meetings are alive and well and being run by a long term addict there behind the walls.

I'm happy to say that the Miracle at Madison NA meeting has been regularly meeting twice a month since it was started by the generous dedication of time and service by volunteers in the workgroup.

Madison CI is meeting twice a month regardless of whether or not we show up.

We have a call a prison party coming up in April, please contact me if you want to help out.

Thanks

## Reaching Out

World posted and mailed the January 2023 issue of Reaching Out, a quarterly publication that helps incarcerated addicts connect to the NA program of recovery, enhances H&I efforts, and offers experience from members who have successfully transitioned from “the inside” to be productive members of society. Issues are posted at: [www.na.org/reachingout](http://www.na.org/reachingout), and the most recent issue is also posted in a booklet format so that committees can print copies to take into institutions without staples.

World Services has sent copies to all area service committees for which we have a postal address. ASCs can continue receiving paper copies on a quarterly basis by subscribing. Each registered ASC that subscribes is entitled to 12 free copies. World Services also offer 20-copy bulk subscriptions at \$38.05, and free subscriptions for addicts who will be incarcerated for at least six months, through the order form within the magazine. For more information about Reaching Out, email [pr@na.org](mailto:pr@na.org).

WCNA 39:

- World Convention will be returning to Washington, DC, 29 August – 1 September 2024!
- If you know anyone coming from outside of the US
- Visas
- A memo is posted at the top of [www.na.org/conference](http://www.na.org/conference) related to visa applications for the World Service Conference. If you need help with or have questions about visas, please contact [elaine@na.org](mailto:elaine@na.org).

SPAD

The SPAD is now available, and in stock. NAWS will produce both a special edition and a gift edition of the SPAD. as they had done for other books in the past.

In response to requests, world has created a webpage for the daily SPAD entry: [www.spadna.org](http://www.spadna.org). We hope this makes it easier for meetings and members to access the literature. Service bodies that wish to post the daily entry should use this link to post.

LOCAL TOOLBOX project

Virtual meeting are the top priority You can see drafts and input at [www.na.org/toolbox](http://www.na.org/toolbox) or go to [www.na.org](http://www.na.org) and click on for our members and then in the dropdown projects and surveys.

The work being done:

- How virtual meetings are connecting to NA communities and NA service.
- First draft of the best practices for virtual meetings have been posted.
- There is a form for meeting locator – for virtual meetings
- 7th Tradition

Still to be workshopped:

- The History of Virtual Meetings
- Developing tools to support virtual meetings
- Where to find the input

Price Increase

As of January 1, 2023, the price of all books and bronze medallions has increased 12%. There were no increases on the materials our NA groups most frequently give away, even though the costs have increased substantially on these items as well. That means, no increase to the current prices of IPs, booklets, keytags, or chips. For more information, please see the memo posted at [www.na.org/webstore](http://www.na.org/webstore). Again, the world wishes this was not necessary.

60th Anniversary White Book

The 60th Anniversary White Book is in stock at the WSO. RSO also has them in as well. This special edition collects English translations of all 85 stories in the 13 language versions that have local personal stories plus the eight stories in the English Little White Book. It's a handsome volume, and at \$15, it makes a great gift. Heck, buy yourself a present! Order it from our RSO or from world where it is item #1501 at [www.na.org/webstore](http://www.na.org/webstore).

INVEST IN OUR VISION

Most NA members are not wealthy people. In fact, many of us are just getting by. What we know about the Fellowship of NA, though, is that when we work together, we can move mountains.

Anthony from NAWS reported that member contributions were what had saved them at NAWS—they were the key to future sustainability; however, when the entire literature engine cranked back up in North America—literature purchased in areas, and at groups—he imagined our income would increase. He said NAWS would need to hire a couple more people to meet the backlog of services and would purposely lower the cash in the balance sheet to do so.

We are alive and recovering because of the power of our collective efforts. Together we can do what others cannot.

We need to take the same approach to funding our services. World Services is not feeling the pinch alone. Service bodies and offices around the world that have depended on profits from events or literature sales to fund their efforts are also hurting for money because of the effects of the pandemic. We can work together to fund service on every level.

Please keep in mind that World Services is still providing free literature to inmates, and areas/members that cannot afford to pay. In prior years, this has exceeded \$800,000. If the funds are not there, this service will no longer be available and this is one of the ways we carry the message to addicts who are still suffering, which is our primary purpose.

Most money in the basket stays at the local level. We in the Florida Region do a better job of this than other areas and regions

Lit. sales up to now is what has supported NAWS. We need to rely less on Lit. sales and more on self (the basket).

2020 rocked the world: NA world Services close the doors and furloughed ½ the employees

2020 50 members \$2000 monthly recurring donations

2021 700 members \$20,000 monthly recurring donations

2022 Goal: Increase direct Recurring Contributions and increase 7th tradition Basket money. which has been done but we still have a long way to go to be fully self supporting and not rely on literature sales for our operating costs

When and if you contribute don't think of it as donating to NAWS but that you are donating to your fellowship NA.

Contribute Now (na.org) – [www.na.org/contribute](http://www.na.org/contribute)

NA subscriptions.

There are publications you can receive such as:

NAWS News, Just for Today, NA Way, and others. Go to [www.na.org/subscribe](http://www.na.org/subscribe)

and now you can get the SPAD as well just like the Just for Today.

## **HRP Report**

Good Afternoon All,

HRP met three times since the November RSC. November 23, January 8th, and January 14th.

On November 23rd, HRP had a debriefing meeting with Michael and the Corrections Coordinator. Michael is shadowing the Treasurer Team and was able to get some hands-on experience since one of the members was absent. The Corrections Coordinator had an opportunity to assist with facilitation during Fellowship Development (FD). Please remember, we have 7 people rolling off this year and as a result of the accumulation, there will be 8 positions up for elections (FD co-leader, Co-Facilitator, Corrections Coordinator, Technology Coordinator, Technology Co-Coordinator, Regional Delegate (RD) and 3 HRP members. While shadowing a position does not guarantee that you will be elected to that position, as you will still have to go through the election process, interviewing, nomination, it does allow you to gain first-hand experience regarding the duties and responsibilities of the position so you can make a more informed decision about the skills requirement as well as time commitment.

During the January 8th meeting, we discussed Jennifer's access to the shared drive, email set-up, and assigned her responsibilities. We revisited our budget and recalculated the proposed increase for in-house print and supplies. We discussed the nomination and selection process for upcoming positions, and scheduled out our monthly meeting through the end of July. Starting in February, HRP will meet on the third Thursday of the month.

During the January 14th meeting we discussed the upcoming open positions, briefly discussed the proposal updating the duties and responsibilities for the secretary team. A couple of people have expressed interests in open positions, and we had a discussion regarding their qualifications to determine if an interview would be scheduled. HRP will be available during the GSR assembly for interviews. Just a friendly reminder, acclamation for co-facilitator, alternative secretary, alternative treasurer, FD co leader will take place in May. Election for their positions will take place in July and elections for Coordinator will take place in September.

If you are new to service at Florida Region or have not completed a HRP Volunteer form in the past two years, please visit <https://naflorida.org/hrpform/>

### **HRP Guide**

Housekeeping changes to the 2021 Guide to Florida Regional Service was approved. As voted by RCMs, the date on the Guide will be changed to 2023 and will reflect the newly approved changes to the duties and responsibilities for the secretary position.

### **Open positions:**

Corrections Resource Coordinator 3  
H&I Resource Coordinator 3  
Co-Leader Fellowship Development  
Alternative Sec  
Alternative Treasurer  
Alternative Delegate  
3 HRP members

There are two vacant positions at RSO and one member that needs to be re-elected.

## ***RSO Board Report***

Happy New Year RSC. Your Florida regional service office is alive and well. The BOD met last weekend. 8 members were present. We still need one board member. The qualifications are 1) Three (3) years abstinence from all drugs. 2) At least one (1) year prior experience in business, management, or prior Board involvement 3) Present membership, in good standing, in the Florida Region of N.A.

We continue to claw our way back to financial stability. It has been a long road and we still have a way to go. Our Financials are as follows:

### Bank Balances

Chase Bank	\$85,006.98
CD's	
CD-0316	\$ 10,042.26
CD-4705	\$ 12,338.58
TOTAL CD'S	\$22,380.84
A/R	\$30,727.10
A/P	\$53,508.37

### Sales

- November \$55,893.24
- December \$50,668.41
- January \$30,573.90

Our treasurer reports that we are still operating at a loss but are improving as our sales increase. We continue to seek ways to reduce our overhead cost and to reduce fixed costs. We will be able to cut cost including discontinuing product cart (\$100/mo) which can be discontinued now and authorize.net (several hundred per mo) that may be discontinued once the new processing is shown to be effective. Returned check fees are being recouped, but sometimes we must flag accounts that dispute credit card charges until the charge is satisfied. Our tax return form 990 is filed and that's gets us completely caught up with the IRS

The web site is up but of course we still have some bugs to work out. Overall, the feedback is positive. We have been Struggling with the new processor but have got it working.

We have submitted paperwork for echecks (ACH) as well as credit cards. The New order forms have been sent to most Areas and I have bought a copy for each of you. We are Addressing concerns with some areas unclear about the price increases.

We are looking for more ways to increase our cash flow. We have received the list of WSO approved venders and we are mailing and emailing them to gauge their interest in showing their merchandise on our web site. One of the advantages to our new web site is the ease of putting up and/or taking down items. We would process the orders and send them to the venders they would ship them, and we would pay them and keep a percentage of the sale. There would be little labor cost and no expense to the RSO. The letter has been reviewed and approved by the board and will go out shortly. More will be revealed.

Your RSO Board and workers are striving to return to pre covid sales level but are concerned that literature sales may never return to that level. Virtual meetings, digital literature and phones all will affect sales of books and other

literature. We will face difficult decisions in the future and we will continue to face them as they come up.

I want to take a moment to discuss, for the new RCM's, the 7th tradition basket fund flow and RSO funds. We are a stand alone corporation and our funds come from the sales of literature and other items. No funds from the basket are used by the RSO. No funds lost or stolen by or from the RSO effect the 7th tradition basket.

If you have any questions please feel free to call me or Roger or the office. Kylie or Amanda Will be happy to answer or direct you to the answer for any questions. If you get the chance, stop by the RSO office at 2222 S Combee Rd in beautiful downtown Lakeland in the bosom of the Florida Region.

In Service,

Bob K

RSO BOD Pres.

## ***FRC Board Report***

To: Florida Regional Service Conference

From: FRCNA, Inc.

CC: FRCNA, Inc. BOD

Date: January 15, 2023

RE: RSC Report

FRCNA, Inc. held its regularly scheduled board meeting 01/14/22 from 9 am- 1 pm. All board members were present.

As always, we are accepting speaker submissions. Please go to our website for more information and to upload your mp3 prior to March 15, 2023. Speaker submissions must be uploaded to the website, please do not send CDs or

any other formats of recordings.

The convention logo was selected by the support committees at the 12/4/22 meeting. We are now finalizing product selections for registration and merchandise. Programming continues to select workshop topics and review speaker submissions for workshop and main speakers.

We polled support committee members about coming to in person support meetings onsite at the convention venue. Many of the support committee members feel it is not a prudent use of their resources (time and money) to drive in for a 1 ½-2-hour meeting. We agree and respect the feedback. Our support committees have two 2 functions,

the planning of the convention and execution. We have streamlined our processes this year regarding the planning and now our greatest need is in facilitating the execution of the convention. Therefore, our support committee meetings between now and May will all be virtual.

The June 4, 2023, support committee meeting will be at the Rosen Shingle Creek from 10 am-12 pm. This is the final, and most important, onsite meeting at the convention venue. At this support committee meeting we review final convention room layouts, setup, break-down, and volunteer roles and responsibilities.

The convention set-up on Wednesday 6/28/23 and convention breakdown on 7/2/23. We will need volunteer teams to help both before and after the convention. Don't forget about the FRCNA "Service Heroes" banner that was

awarded to the Bay Area at FRCNA 40. To take the banner from the Bay Area here's how; the Area within the Florida

Region that has the highest number of volunteer/service hours committed and fulfilled during the convention will be

awarded the banner.

The theme for FRCNA 41 is "Surviving Against All Odds". FRCNA 41 will be held June 29-July 2, 2023. All information related to FRCNA 41 can be found on our website [www.frcna.com](http://www.frcna.com). The convention site is Rosen Shingle

Creek; 9939 Universal Blvd, Orlando, FL. Phone: 407-996-9840. The room rate is \$139.00 a night for double occupancy \$20.00 additional per person. Self-parking is \$8 a day with in and out access. Don't forget to follow us on Twitter @frcna and Instagram @frcna\_official and our private FB group @FRCNA.

- .

# WSC

- CAT (Conference Agenda Track) will be out January 30, 2023.
- We will be able to review it and if there is time at the GSR Assembly have some discussion about it so the AD/RD team can get an idea of the conscience of the region.
- However, we will be asking for a vote of confidence from this region before we go to the World Service Conference.

# Collaboration of Zones

- 
- There is some work being done on what this may look like before we move forward.
  - More will be revealed.

- Open webinars have been on scheduled; you can find them on.  
<https://www.na.org/?ID=deadlines&ID=deadlines>
- There are none at this time posted on the website but will be there as they are scheduled

# Reaching Out

- World posted and mailed the January 2023 issue of *Reaching Out*, a quarterly publication that helps incarcerated addicts connect to the NA program of recovery, enhances H&I efforts, and offers experience from members who have successfully transitioned from “the inside” to be productive members of society. Issues are posted at: [www.na.org/reachingout](http://www.na.org/reachingout), and the most recent issue is also posted in a booklet format so that committees can print copies to take into institutions without staples.
- World Services has sent copies to all area service committees for which we have a postal address. ASCs can continue receiving paper copies on a quarterly basis by subscribing. Each registered ASC that subscribes is entitled to 12 free copies. World Services also offer 20-copy bulk subscriptions at \$38.05, and free subscriptions for addicts who will be incarcerated for at least six months, through the order form within the magazine. For more information about *Reaching Out*, email [pr@na.org](mailto:pr@na.org).

# WCNA 39

- World Convention will be returning to Washington, DC,
- August 29 – September 1, 2024!
- If you know anyone coming from out of the US
- **Visas**
- A memo is posted at the top of [www.na.org/conference](http://www.na.org/conference) related to visa applications for the World Service Conference. If you need help with or have questions about visas, please contact [elaine@na.org](mailto:elaine@na.org).

# SPAD

- The SPAD is now available, and in stock. NAWWS will produce both a special edition and a gift edition of the *SPAD*. as they had done for other books in the past.
- In response to requests, world has created a webpage for the daily *SPAD* entry: [www.spadna.org](http://www.spadna.org). We hope this makes it easier for meetings and members to access the literature. Service bodies that wish to post the daily entry should use this link to post.

# Local Tool Box Project

- Virtual meeting are the top priority. There will be a motion to recognize virtual meetings in the 2023 CAR. You can see drafts and input at [www.na.org/toolbox](http://www.na.org/toolbox) or go to [www.na.org](http://www.na.org) and click on for our members and then in the dropdown projects and surveys.

The work being done:

- How virtual meetings are connecting to NA communities and NA service.
- First draft of the best practices for virtual meetings have been posted.
- There is a form for meeting locator – for virtual meetings
- 7<sup>th</sup> Tradition
- Still to be workshopped:
- The History of Virtual Meetings
- Developing tools to support virtual meetings
- Where to find the input

# Price Increase

- As of January 1, 2023, the price of all books and bronze medallions has increased 12%. There were no increases on the materials our NA groups most frequently give away, even though the costs have increased substantially on these items as well. That means, no increase to the current prices of IPs, booklets, keytags, or chips. For more information, please see the memo posted at [www.na.org/webstore](http://www.na.org/webstore). Again, the world wishes this was not necessary.

# 60<sup>th</sup> Anniversary White Book

- The 60th Anniversary White Book is in stock at the WSO. RSO also has them in as well. This special edition collects English translations of all 85 stories in the 13 language versions that have local personal stories plus the eight stories in the English Little White Book. It's a handsome volume, and at \$15, it makes a great gift. Heck, buy yourself a present! Order it from our RSO or from world where it is item #1501 at [www.na.org/webstore](http://www.na.org/webstore).

# Invest In Our Vision

- Most NA members are not wealthy people. In fact, many of us are just getting by. What we know about the Fellowship of NA, though, is that when we work together, we can move mountains. Anthony from NAWS reported that member contributions were what had saved them at NAWS—they were the key to future sustainability; however, when the entire literature engine cranked back up in North America—literature purchased in areas, and at groups—he imagined our income would increase. He said NAWS would need to hire a couple more people to meet the backlog of services and would purposely lower the cash in the balance sheet to do so.
- We are alive and recovering because of the power of our collective efforts. Together we can do what others cannot. We need to take the same approach to funding our services. World Services is not feeling the pinch alone. Service bodies and offices around the world that have depended on profits from events or literature sales to fund their efforts are also hurting for money because of the effects of the pandemic. We can work together to fund service on every level.
- Please keep in mind that World Services is still providing free literature to inmates, and areas/members that cannot afford to pay. In prior years, this has exceeded \$800,000. If the funds are not there, this service will no longer be available and this is one of the ways we carry the message to addicts who are still suffering, which is our primary purpose.

# Invest In Our Vision

- Most money in the basket stays at the local level. We in the Florida Region do a better job of this than other areas and regions
- Lit. sales up to now is what has supported NAWS. We need to rely less on Lit. sales and more on self (the basket).
- 2020 rocked the world: NA world Services close the doors and furloughed ½ the employees
- 2020 50 members \$2000 monthly recurring donations
- 2021 700 members \$20,000 monthly recurring donations
- 2022 Goal: Increase direct Recurring Contributions and increase 7<sup>th</sup> tradition Basket money. which has been done but we still have a long way to go to be fully self supporting and not rely on literature sales for our operating costs
- When and if you contribute don't think of it as donating to NAWS but that you are donating to your fellowship NA. [Contribute Now \(na.org\)](https://na.org/contribute) – [www.na.org/contribute](https://www.na.org/contribute)

# NA Subscriptions

- There are publications you can receive such as:
- NAWIS News, Just for Today, NA Way, and others. Go to [www.na.org/subscribe](http://www.na.org/subscribe) and now you can get the SPAD

## Bridging the Gap Narcotics Anonymous Florida Region Information Sheet

Our experience has shown that attending an NA meeting on the outside the same day you are released is one of the most important things you can do for your recovery. Narcotics Anonymous and the Florida Region have begun a transition program called Bridging the Gap. The Bridging the Gap Project seeks to connect you with someone from your home community that has agreed to send you information about Narcotics Anonymous. Upon your release, they may take you to your first few meetings, introduce you to other NA members, and help you get acquainted and comfortable among new friends in NA. During this time, some of the things you will learn about are sponsors, home groups, working the steps, and service.

Your Bridging the Gap volunteer is only temporary. They won't follow you around or control your activities, nor will they provide you with a job, money, housing, food, clothing, or any other such service. The Bridging the Gap Project volunteer is NOT a sponsor, not even a temporary sponsor. We believe that it is best for you to choose a sponsor for yourself once you are released.

It is our hope that this service will help the suffering addict find the solution that we have found. Our purpose is to carry the message of recovery, "That no addict, anywhere, need die from the horrors of addiction."

Speak with the Chaplain or the Programs Director at your institution and explain to them that you are interested to participate with this program. Ask them if they could e-mail the requested information below to [bridgingthegap@naflorida.org](mailto:bridgingthegap@naflorida.org). If you or they are unable to use e-mail, then complete the information requested below and mail this entire page to this address:

## BRIDGING THE GAP

**Are you concerned that you won't know how to find a meeting when you are released?**

**Are you interested in following the suggestion of attending a meeting the day you leave this facility?**

Narcotics Anonymous in the Florida Region maintains a Bridging the Gap program to have a handful of recovering addicts meet you upon your release and ensure you get to a meeting. This will help jumpstart your connection to the NA fellowship in the city or town where you land.

## **BRIDGING THE GAP**

### **Announcement**

The Florida Region fellowship is adopting a new project called “Bridging the Gap”. The purpose of Bridging the Gap is to provide a “Bridge” between people reentering their communities from incarceration and their first meeting of Narcotics Anonymous.

#### **VOLUNTEER ONLINE BY EMAIL**

1. E-mail your contact information to: [BridgingtheGap@naflorida.org](mailto:BridgingtheGap@naflorida.org)

#### **HOW IT WORKS**

When you volunteer, we ask you to provide your contact information. This information is used to match you to the newcomer. Your information is considered strictly confidential and never released to any other NA member or outside organization. A member of the Bridging the Gap team will contact you and provide some basic guidelines.

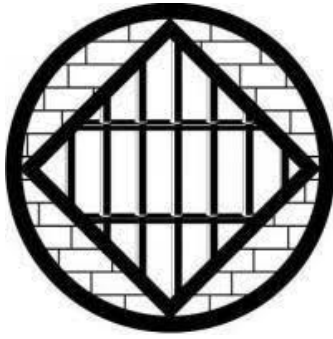

When a request for a temporary contact is received, you will get a phone call to see if you are available to help out. You can always decline and we will ask you again the next time. The newcomer’s contact information will be given to the first available volunteer.

You will arrange to connect with the newcomer at a meeting as soon as possible. At the meeting you will introduce the newcomer to other members of the fellowship, explain about NA literature, provide a meeting list, and encourage the newcomer to join in fellowship after the meeting. You will make additional arrangements to meet at three or four meetings over the next couple of weeks.

This is not a temporary sponsor program. It is simply helping the newcomer feel welcome and connected to the fellowship. That is all there is to it. Help make this project be a success and volunteer today.

### **Updates**

- Don't forget your TCN NUMBERS! Please send them to [crc@naflorida.org](mailto:crc@naflorida.org) if you want us to help track your application!
- Meetings with the FDOC continue to occur and the NW Florida reception center have suggested a time for Zoom meetings of 10am on Tuesdays or Wednesdays. They are in the central time zone, so that would be 11am EST. Due to the complexity of these meetings, we have requested them to be 90 minutes in length.. We hope to meet next week to discuss this specifically.
- Members who will attend the "Between the Walls" Zoom pilot meetings will need to go through the background check process detailed above at the Volunteer Application Link. (This is a change from earlier information that was communicated.)
- Bermuda has requested to sit in on these meetings as well. We have asked them to wait on Florida but it's likely we will need to start something for Bermuda and then let Florida join it.
- The FDOC has been informed that Indiana and Ohio have signed on for the NA literature on their tablets.
- 2022 Literature order arrived! Templated packet for sending to institutions created and listed.
- A project proposal was put forward to create a literature order form for the prison institutions.
- The meetings for FRCNA were simulcast over Zoom with great attendance. We do not know how many institutions were connected. We plan to simulcast the Zoom to FRCNA for the institutions again in 2023.
- A box of 25 basic texts along with a bunch of IPs were sent to FDOC for distribution at the Between the Walls meeting.

## **Behind the Walls**

- 2022-02
  - Teresa D was provided temporary clearance after her background expired and while she is going through the new online process.
  - Steve D received his PIN
  - Claudia B received her PIN and started bringing meetings into Lowell.
  - MaryAnn R received her PIN
  - Steph H had received her PIN and started bringing meetings into Lowell.
  - Colin H received his TCN number.
  - Kris W has been approved
  - Ashby S. has scheduled her fingerprints
  - Michael Schlosser has been approved to move forward to have his fingerprints done
  - Debora Herrera has been approved to move forward and have her fingerprints done but she doesn't have a car to get there.
  - *Please send any updates with your clearance or volunteer status!*

## **Old Business / Completions:**

- Kim S: Members are not returning contact for those to follow up with
- Colin H: mailings to chaplains have been postponed following discussion with Maggie Agerton at FDC -- they believe dissemination of materials may occur with more success by directing them through her team.
- Colin followed up with NAWs about literature sharing for tablets and was connected to Paul M in the Central Ohio area who worked with the state of Ohio to get NA literature on their tablets successfully. Paul was a great help and hopefully we will network with them more in the future.
