RSO President- Formal apology for behavior on Saturday 11/20/21. Also made amends to the group, stating he would not repeat the behaviors.

Big Bend RCM 2- Neil D. passed away, with 34 years clean, due to lung cancer. There will be an online memorial service 12/11/21 on Zoom.

Zoom ID #: 689 191 9698

PW: 191520

Thanked Region Body for their service this weekend.

Nature Coast RCM1: Richard- Today is his last day as RCM 1. RCM 2 is not present today. Asked Body if RCM 2 nominee can sit on the floor today (Hailey). Floor Agreed.

HRP Leader- Logistics Survey from yesterday was deleted, due to it not being active until 11/22/21. Please re-fill out form beginning 11/22/21-end of December 2021.

Recovery Coast RCM 1: Interested in starting a workshop/workgroup for newcomers at RSC. "Region is looking like a party scene." Is it possible to get funds/info?

Co-Facilitator: There is already a workshop, which is on hold due to the pandemic.

Co-Facilitator: Formal apology to body for his behavior on 11/20/21. Read JFT, December 17th, "Service Motives." Claimed he must check his own motives and made a decision to attend RSC in person, instead of on Zoom.

Heartland: Stated we must respect group conscience and we have a process and procedure to follow.

Corrections: "You can be an essential worker, Ernest."

Heartland: "As a Trusted Servant, it's our job to show up and we do the best we can, just make sure motives are clear."

RSO President: Feels we are more effective in person, using loopholes isn't an excuse to not be here.

FRCNA Vice President: Before Zoom, there's always been a question about who is present and who is not. "I understand why people can't be here."

Bay Area RCM 1: "If you (co-facilitator) think you can facilitate the body from Zoom, more power to you."

Treasure Coast RCM 2: explained why he wasn't able to be here in person, due to health issues, and had to attend on Zoom. He is grateful for the Zoom platform, so he could be a part of RSC today.

Co-Facilitator: Stated the original statement was directed for the Admin body here onsite, and not for Zoom participants to explain why they are on Zoom.

Big Bend RCM 2: "If you check last month's minutes, it states we are present on Zoom."

RSC Minutes Nov. 21, 2021

AD: Answer to Recovery Coast's question: He conducts hotel contracts, and it's cheaper to host only at Rosen Centre. Until \$\$ goes down, we need to continue hosting RSC in Orlando.

First Coast RCM: She remembers when RSC used to travel, and at the end of decision meetings, numbers showed it was better to stay in Orlando.

Treasurer: Response to Co-Facilitator: Feels she cannot complete her duties on Zoom, but thinks it's acceptable for people who can.

Palm Coast RCM 2: Understands being in attendance helps fill our room block at RSC weekend, and will continue to book room for the area.

RSO President: Kristi-Beth celebrates 34 years clean today!!

AD: Matt has started archiving past NA information. 8,000 documents have been uploaded already. He is working with RSO, work looks great, and everything is categorized. Information will not be available on the website until it's brought to the RSC body. Just giving updates.

RSO President: Suggested contacting Vernon for additional information.

AD: "We already have information from Vernon."

All subcommittees have chairs and have support. H&I has 42 meetings it is taking in. Still no lockdowns. PR was just able to get PSA on the radio in our Area. Activities just got a new Chair who is excited about having some fun. Convention is next weekend and the Area is very supportive of that. Our Spiritual Retreat is gearing up for a January Retreat. We are not getting as many home groups represented at Area as we would like. But donations are coming in. We are doing a hybrid Area. The facility we meet at has a nice set up and we supply the mic and a computer to hook up to their system. We are waiting to hear about our not for profit status. We believe we have filed all the necessary paperwork.

PR Report

On October 14 – 17th Cindy and I attended the Addiction Health Summit in Orlando. We were there for a resource for the participants, and we were grateful to get our message out. We enjoyed this Summit and look forward to going next year.

We still want to encourage the RCM's to let their PR and/or Phonenumber Committees that Cindy and I are available to come to your Area and be of help. We'd love to attend your Learning Days, Community Events and any other way we can help. If there is any way your Area can send a PR/Phonenumber Chair to Saturday's Fellowship Development, we would love to talk to them.

Thank you for allowing us to serve...

Technology Resource Coordinator Report

Since this is my first official report as the Tech Resource Coordinator I want to outline my vision and goals for my term so that you guys know what to expect from me over the next two years.

Vision – To create the structure and documentation that builds a more stable foundation for future coordinators and ease of use for members.

*Create a "Best Practices" document which will outline the following:

---What tasks need to be completed on a regular basis

-----Schedule

-----Instructions

---What programs the Region is currently using and brief outline/instructions

-----Google Workspace

-----Zoom

-----Website related

-----BMLT/YAP

-----Twillio

*Create comprehensive, step-by-step tutorials or references for tasks relating to technology

---RCMs (emails, utilizing website, etc)

---Admin (generating minutes, utilizing sub, etc)

---Areas (BMLT, YAP, setting up hybrid meetings, etc)

*Establish a Tech Resource Team, filled with addicts with any/all tech related skill sets throughout the region to assist the Tech Resource Coordinator and Alternate.

We are looking for a Technology Alternate Resource Coordinator. RCMs, please bring this back to your areas and inquire with your local tech guys/gals. Please share and post the Help Wanted flyers as well!

We would like to add your area's convention info to the Regional website! Please go to <https://naflorida.org/rsc/> and scroll down to the last bullet to fill out the Area Convention Info Survey or go directly to <https://forms.gle/4TxRkPRbKfjkigXF6>

We are asking all RCMs to let your areas know that Regional Weekend will continue to be made available to all NA members and details are posted on the website at <https://naflorida.org/rsc/>.

YAP Helpline System - We have completely moved off the Grasshopper system so we are no longer paying the bill of \$100 a month for that service. So that means, overall, we've currently cut costs by \$290 a month region-wide with hopefully more savings to come as the five remaining areas get moved over.

Corrections Resource Coordinator Report

Greetings Florida Region,

My name is Colin H and I'm an addict. I am currently serving as the Corrections Coordinator for the Florida Region and the lead for the Corrections Workgroup.

What is the corrections workgroup you say?

The corrections workgroup consists of several related projects that serve to bring the message of NA recovery to the addicts behind the walls in the state of Florida. We also work with and educate the administration at the state level DOC regarding the continued success of NA to improve the lives of those they serve. Please be aware that working with the DOC does not mesh well with the spirit of rotation and does not sync up with the spirit of anonymity.

These top level projects are:

Behind the Walls: taking meetings into and building homegroups that exist behind the walls of state and federal correctional institutions. This includes literature delivery to institutions to support this effort.

Inmate Step working guide is alive and well and working steps through the mail with those behind the walls. This group is based out of the Gold Coast area.

RSC Minutes Nov. 21, 2021

The Bridging the Gap program is alive and well and addicts are being scheduled to meet those who are getting released at a meeting. Recently as part of brainstorming during the workgroup, the bridging the gap program is being opened up outside of just those within the corrections workgroup. There are several members in various H&I subcommittees across the region that we have found would be willing to meet members after their release.

Corrections is still struggling, but not as much. I want to thank each of you for whatever prayers and thoughts that you have been sending our way. While we have gotten several requests for more meetings at institutions from Chaplains, as well as requests from inmates, getting addicts cleared and providing volunteers is still difficult. After almost 2 years of inactivity, I will be at Madison CI this coming Saturday for a meeting that my sponsee and prior corrections Coordinator, Kris W, started several years ago. I'm happy to say that the Miracle at Madison NA meeting has been regularly meeting twice a month since it was started by the generous dedication of time and service by volunteers in the workgroup.

I want to send a special shout out to Mike S from Suncoast, a long time BTW member, who used his connections in his new job as a re-entry housing director for Project 180, who was able to coordinate a meeting with several members of FDC leadership in Tallahassee to get the conversations started to hopefully achieve many of our goals listed in this report.

As part of those meetings with DOC, we are starting a pilot project with some re-entry DOC institutions for BTW zoom meetings. This means you will be able to chair a Zoom meeting from the comfort of your couch where all the participants are behind the walls at a Florida institution. Please contact me or the workgroup because we need volunteers to do this! I know several of you have told me that the reason you don't want to serve is because of the anxiety of going into prisons, so this is your solution! The current name for this as it hopefully grows is Between the Walls.

Finally, one of the goals of my term is to get the NA literature on the tablets at the Florida DOC institutions. I have spoken with NAWS as well as spoken with DOC leadership in Tallahassee and it looks like it's a go! Unfortunately, in the time since I first started communicating with NAWS in 2018, World has decided to change the set of literature to be available on the tablets. It started with the Basic Text, but now it is a few IPs, the introductory guide, and the White Booklet. I will be bringing a proposal in January for us to vote on to send down to World to request that all book length literature be made available to state level DOC's when there is a legally binding agreement in place that they will not violate our literature restrictions.

Please look for this in January.

Please join the workgroup if you want to serve but not sure how.

We meet every other Thursday from 8-9p over Zoom.

The Zoom info is :

Meeting ID: 895 2489 1377

Passcode: 935507

The volunteer system for the state level DOC has changed and is entirely online. Please apply here:

Florida DOC Volunteer Application

<https://apps.fdc.myflorida.com/VolunteerApplication>

Lowell (including the women's reception center) meetings have restarted after having been paused due to COVID.

Goals for the next 2 years

Double my budget for literature for those behind the walls

Get all of the NA literature on the tablets at the institutions

Get Zoom meetings going in at least one institution.

Build a database of Bridging the Gap folks in every area to meet those being released from institutions

Keep the behindthewalls.us website up to date with which meetings are meeting where and when.

Create a virtual phone number and virtual mailbox so that the next corrections coordinator doesn't have to give out their address but can still have a way to get stuff and the contact information can be consistent.

Needs!

Volunteers willing to take meetings into facilities who are comfortable with masks and personal health preparations enough to still bring meetings in.

A secretary to coordinate communication with the facilities and the volunteers and to maintain the Google drive and the calendar for when we go into facilities, and to chaperone the WG meetings. This would be a couple hours of work per week.

A webservant to maintain the <https://behindthewalls.us/> website and talk with the secretary to keep the list of institutions we are serving up to date. Again, a couple hours of work per week

A Volunteer coordinator: This person would communicate and coordinate with the Inmate Step working group (ISWG) out of Gold Coast, the area H&I chairs to see if they have volunteers willing to take meetings into DOC or Federal institutions in their areas and to maintain and connect with the volunteers we have in the database now to encourage them to attend meetings and track and ensure that they have maintained the state requirements for training. Again, a couple hours a week.

A bridging the gap coordinator - This person would attend the biweekly meetings, and keep in touch with the H&I chairs for each area in the Florida and south Florida regions to find out if they have individuals on their H&I member lists who would be willing to meet a new member that got released into their area and take them to their first meeting and maybe out to eat afterwards.

A ISWG coordinator - This person would attend the biweekly meetings. This person will keep in touch with the Gold Coast ISWG and be able to ensure that Chaplains and Institutions are getting the information about the Step Working Guide (contact the chaplains and make sure they have the flyers). The expectation for this person is that they will be able to provide feedback and some stats and information about how many addicts are being served by the ISWG at the bi-weekly meetings.

RSC Minutes Nov. 21, 2021

Hope Rises program coordinator: This person would attend the biweekly meetings. This person will keep in touch with the Hope Rises program and be able to ensure that Chaplains and Institutions are getting the information about it (contact the chaplains and make sure they have the flyers). They will provide information to the Hope Rises program to get the books to the institutions that need it and relay information about how many books are being sent and to where. This information will be kept in a spreadsheet that will be presented to the Florida Region so we can highlight the program and the addicts it is serving behind the walls.

Literature Chair: This person will maintain the literature spreadsheet that is kept by the Corrections Workgroup and ensure that any literature sent to institutions or given to members taking meetings in is tracked so that we can be accountable back to the Region.

Mailbox chair - get the information from the virtual mailbox and present it at the biweekly meeting and provide it to whomever needs it.

I've attached the flyers to my report that are being sent to all chaplains for posting in the institutions.

Thanks for allowing me to serve.
Colin H

RD/AD Report

Conference Participants Meetings and next WSC:

The last conference participants meeting was on October 21, 2021, 11 am - 1 pm PST. At this conference participant meeting we focused on what still needs to be done and workshopped on the Local tool Box project which I will update on later in my report. We also discussed the upcoming WSC and as Ramon and I informed you yesterday, given the existing travel restrictions, health considerations, and the continuing financial strain on World Services. The current 2020-2022 Conference cycle be extended to 2023. In the interim, a short, interim virtual World Service Conference meeting would be held in 2022 to deal with the most immediately essential business April 22 and 23 and April 29 and 30 2022. The 2022 meeting of the WSC will then recess and reconvene in 2023 with all the hopes of being in person.

Essential Business suggested by the Board and at this time we believe is:

1. NA World Services Budget for one year – 2022-2023
2. Extend existing FIPT moratorium on inspection clause for one year. (Acting as the trustor, the delegates present

at the virtual WSC 2022, are continuing the suspension of Article 5, Section 3 of the FIPT Operational Rules, while we make a decision about the future. This suspension will expire at the close of WSC 2023.)

3. Adjustment of terms for WSC trusted servants. (the details of this will be provided)

4. The approval draft of the Spiritual Principle a Day book (SPAD)

This was all determined by the e-poll that had been sent out to the conference participants upon the conclusion of the Conference Participants Meeting August 21, 2021. I have listed the motions that were on the poll below with the results.

Results of Decision-Making Poll Regarding WSC 2022/2023

The following motions were decided on via electronic poll. Conference participants had 72 hours to respond to the poll, beginning Thursday 26 August and ending Sunday 29 August. 123 participants took part in the poll.

Motion V1 (from 2020 but revised to be a policy): When the WSC chooses to meet virtually, all World Service Conference participants may participate and vote remotely in the same manner as the current policy for participants who are unable to obtain visas:

“Participants who are unable to attend the WSC due to visa issues may participate remotely. Remote participants have the same rights as if they were at the WSC” 2020 GWSNA

To accommodate the variety of time zones and to ensure an accurate record, decisions of the WSC can be made outside of the WSC meeting by e-poll that is sent to all seated Conference participants.

Maker: World Board Intent: To allow the Conference to choose to make decisions virtually when necessary.

Poll Results: 120 yes (98%) 2 no (2%) 1 abstain (1%) 0 present not voting

Motion V2: Due to travel restrictions and safety concerns from the global COVID-19 pandemic, the 2020-2022 Conference cycle is extended to 2023. A short, interim, virtual, Conference business meeting shall be held in 2022 to fulfil our obligation to address legally essential business, as described in Motion V3, and to approve the Spiritual Principle a Day book if the WSC chooses to do so. After the essential business is conducted, the 2022 virtual meeting of the WSC shall recess and reconvene in 2023. Dates and deadlines pertaining to the meeting of the Conference in 2023 shall be provided by the World Board, including CAR motion deadlines, and seating application deadlines.

Maker: World Board Intent: To adapt the current Conference schedule due to the global pandemic.

Poll Results: 110 yes (92%) 7 no (6%) 3 abstain (3%) 3 present not voting

Motion V3: The business for the virtual session of the WSC in 2022 shall be distributed in one electronic document, which for the purposes of business and decision-making shall serve as an interim Conference Agenda Report (CAR) and Conference Approval Track (CAT) using the current CAR deadlines and distribution dates and shall include:

1. NA World Services Budget for one year – 2022-2023

2. Extend existing FIPT moratorium on inspection clause for one year. (Acting as the trustor, the delegates present at the virtual WSC 2022, are continuing the suspension of Article 5, Section 3 of the FIPT Operational Rules, while

we make a decision about the future. This suspension will expire at the close of WSC 2023.)

3. Adjustment of terms for WSC trusted servants. (the details of this will be provided)

Maker: World Board Intent: To describe what is legally required or essential for the Conference in 2022. Poll

Results: 109 yes (91%) 1 6 no (5%) 1 5 abstain (4%) 1 3 present not voting

Motion V4: The business for the virtual session of the WSC in 2022 shall include the approval draft of the Spiritual Principle a Day book (SPAD), which shall be included in the interim Conference Agenda Report (CAR)

Maker: World Board Intent: To approve the Spiritual Principle a Day book

Poll Results: 117 yes (95%) 1 4 no (3%) 1 2 abstain (2%) 1 0 present not voting.

The Conference Participants are made up of:

142 Voting Members from a 123 regions

6 Zones

13 Board Members

129 Alternate Delegates

4 HRP members

6 – 8 Translators

The 2020 Virtual Conference was the longest Conference ever in NA history of the Conference.

There was also a discussion about the possible continuing of going to a 3 year cycle which will either be in the CAR report in 2022 or 2023. The World board did send a letter to the regions and Zones that will be in my report below and was shown and distributed at fellowship Development yesterday.

There was also a discussion about extending terms and that discussion also consisted of that being included in the 2022 CAR which should be out for our review November 26, 2021.

FINANCIAL STATUS

We are more than a year now into the pandemic and the most pressing issue is financial. As has been said before this has been a challenging times for World Services, and some of the challenges are still with us. So for the good news for the first time in decades contributions represented 25% of our income during the last fiscal year. That is up

10% since the last fiscal year. World wants to thank everyone who contributed and helped NAWS stay afloat. However now most notably, they are still operating at a deficit, meaning World Services' expenses are still exceeding our income. Literature sales are continuing to be depressed. It is going to take a long time to build back up from the financial crisis of the past year. There is a silver lining in the pandemic as it has given the world us opportunity to finally make a long-needed shift from dependence on literature sales for income to a future where NA is self-supporting through member contributions from service bodies, groups, and NA events. The long term goal is to cover at least 70% of the expenses for services through contributions. We have made progress in this area and are about 40% there but there is more work to be done.

The way this has been accomplished is world have cut costs where they are able. Many of the staff remain furloughed still or have been laid off. The staff that are working have not been traveling to fellowship events or having any in-person Board Meetings. They have not travelled to Fellowship events or Board meetings in more than a year. They are not doing paper mailings of our publications or review drafts. They had to make that change because of the pressures of the pandemic, with so many staff furloughed and working from home, and because of budgetary pressures. In some cases, they are unable to reduce expenses. For instance, they are contractually obligated to the terms of our equipment and building leases. In sum, they are doing what they believe they are able to in terms of reducing expenses. There is also the legal fees for the ongoing court case. A lot of this information and more will be in the annual report. NAWS fiscal year goes from 7/1 to 6/30 and the annual report is posted on the web site approximately 6 to 9 months after the close of the fiscal year and can be viewed at www.na.org/ar . The last report is there the one from 2020.

In the past NA has relied on 70% of their operating expenses on literature sales. This is not a reality anymore and even before the pandemic it had been discussed that we must be more self-supporting as our traditions state. The goal is for member contributions be 70% of our operating expenses. We are getting there.

So although we are moving closer to our goal we have a long way to go. Our expenses in past years have been 5.5 million dollars so 70% is approximately 3.885 mil. Lets also keep in mind in 2019 we gave to the indigent and the incarcerated members over \$800,000 worth of literature and in 2020 it was over \$500,000, which is a primary way we carry the message to addict who is still suffering which is our primary purpose.

World Services is asking you to consider setting up a recurring contribution if you are able. This can be done at www.na.org/contribute.

INVEST IN OUR VISION

Most NA members are not wealthy people. In fact, many of us are just getting by. What we know about the Fellowship of NA, though, is that when we work together, we can move mountains. The simple fact of our recovery is testimony to that. "Many of us . . . sought help through medicine, religion, and psychiatry. None these methods was sufficient for us." (Basic Text, "Why Are We Here"). We are alive and recovering because of the power of our collective efforts. Together we can do what others cannot. We need to take the same approach to funding our services. World Services is not feeling the pinch alone. Service bodies and offices around the world that have depended on profits from events or literature sales to fund their efforts are also hurting for money because of the effects of the pandemic. We can work together to fund service on every level.

Please keep in mind that World Services is still providing free literature to inmates, and areas/members that cannot afford to pay. In prior years, this has exceeded \$800,000. If the funds are not there, this service will no longer be available and this is one of the ways we carry the message to addicts who are still suffering, which is our primary purpose.

Most money in the basket stays at the local level. We in the Florida Region do a better job of this than other areas and regions

Lit. sales up to now is what has supported NAWS. We need to rely less on Lit. sales and more on self (the basket). 2020 rocked the world: NA world Services close the doors and furloughed ½ the employees

We attended the collaboration of the zones where they are working on being a resource to the fellowship. It is still a work in progress and there is still much to do. They are working on a strategic plan to see what role they will play in the fellowship.

I have been monitoring the discussion boards between the RD & AD's they are going back and forth with what their regions are wanting for the further of Narcotics Anonymous. It is very interesting how other country's needs are different from others.

Good Afternoon Florida,

HRP has been very productive! We conducted four interviews. Three of the candidates will be move forward and be presented with confidence. One candidate did not receive confidence.

According to the Florida Regional Service Guide, HRP Volunteer forms two years and older will be purged from HRP Volunteer Pool. Email notifications will go out within the next few days informing those impacted to please complete a new HRP Volunteer form. Outdated HRP Volunteer forms will be purged 60 days from email notification.

HRP has added an Auto-reply to the HRP Volunteer Form submission process. The auto reply message will be up and running by the end of the day.

Check-In/Exit meetings with RCMs and elected trusted servants will begin this RSC weekend. The check-in/exit meeting were implemented last year when FRSC transition from in-person meetings to virtual meetings. The purpose of the meetings was to "check-in" on the newly elected FRSC trusted servants to determine how they were adjusting to the transition. Exit meetings were conducted with RSC trusted servants whose service terms were ending. The focus of the exit meeting is to determine if the person was able to accomplish all of their goals, identify any challenges they may have encountered, and identify any opportunities for improvement for the position. The RCMs were added to this process in the July Admin meeting. This weekend, HRP was able to conduct 5 check-in meetings with RCM.

HRP is still working on the QR-code for the HRP Volunteer forms link and converting the election process from a paper ballad system to electronic system utilizing google forms.

RSO Board Report

Good afternoon RSC. The RSO BOD met on zoom last Saturday morning. All 6 members were present. We are still in a rebuilding position and still need board members with business and secretarial experience. Our financial position is as follows:

- South State Bank Balance \$182.53
- Bank of America Balance \$698.29
- Bank of America (Theft Acct) \$352.13
- Chase Bank \$105,102.55

CD-0316 \$10,043.40

CD-4705 \$12,334.57

Undeposited funds \$4,130.00

Accounts Payable \$30,642.83

Accounts receivable \$50,366.86

The RSO is renewing our lease to the store at 2222 S Combee Rd in beautiful downtown Lakeland in the bossism of the Florida region for 10 years. Increasing from \$1,200 to \$1,699/month +3% CPI this year.

Moving on to banking. We have too many accounts. A little history. When we had money stolen, we immediately closed our active BOA account and then opened another account at BOA. After looking at security procedures we wanted that BOA didn't have we went to Center State. It turned out that they couldn't do quite what they said they could do so we moved to Chase where we are very happy so far. So, we want to close all the former accounts. However, The RSC account is at BOA, and we may have to keep one account open as the parent account. We will figure all that out.

Closing these accounts is more difficult than it appears. We must get hard copies of bank statements and print copies of all check images before we close the accounts because once they are closed, we cannot access our records. The process has begun.

Our computer systems are junk. QuickBooks doesn't talk to the product cart well so the inventory is way off, so our financials are way out of whack. Our systems are 15 years old and just doesn't work. We have been fighting it for several years, but we finally feel like we can invest in it.

We are going to get estimates for building the RSO's infrastructure in Azure. There is a lot involved in this including but not limited to design an extended network in Azure, configure the FLRSO.org domain on-premises, Mirror the cloud accounts on-premises. stand up Domain Controller(s) in Azure to support managing Azure Servers with network accounts, stand up an Azure Server to host QuickBooks, Migrate QuickBooks to Azure Server just to get started.

On our web site we are going to reach out to George, our new web site guy, about fixing Product Cart connection to

QuickBooks so transactions can be reconciled. We will be dealing with Hosting, Themes, Plug-ins and Stand-up WordPress. We also need to Configure Woo Commerce to connect to Authorize.Net & Chase Merchant Services and Confirm that the website is connected and processing transactions into QuickBooks. Then the Office staff has to create all products in Woo Commerce. A lot work. It will be a long process.

So, if you want to help, stop by our office at 2222 South Combee Rd in beautiful downtown Lakeland in the bosom of the Florida Region And give Kylie a hand.

In service,

Bob K

Maker: GSR Assembly Work Group Proposal # 04,11,2021

Proposal – Based on the results of the GSR Assembly Survey, discussions with work group members and multiple options offered by several work group members we propose the following:

The GSR Assembly will be a one-day event to be held at the same location as the March RSC from 9 AM - 8PM culminating with an event or speaker meeting. In lieu of Fellowship Development (Area Support Group), Project Idea discussions, Roundtable presentations of ideas and prioritization of ideas on Saturday of the March RSC beginning at 9 AM, The proposals from the CAR/CAT will be discussed as members desire including questions and answers. This session will be held in 90-minute intervals with two (2) fifteen minute breaks and facilitated by the RD and AD. 30 Minutes will be allotted for a summary of the morning session and a decision (via straw poll) will be made at this time whether an additional session is required after lunch break to continue discussions about the CAR/Cat proposals. After there are no more questions, non-binding straw polls will be taken on each proposal to give the RD/AD team an idea of the body's conscience.

The afternoon program sessions in breakout rooms (TBD by January RSCS) will consist of one or more of the following: Specific Area needs and Concerns open discussion, Resource improvement Workshops, Issue Discussion Topics Workshops; Specific Area Subcommittee Workshops, Future of the WSC Open discussion led by RD/AD team or other Conference Participants from other Regions, etc... The Program is to be discussed by Fellowship Development, HRP and RD/AD team prior to the March RSC with program released to the Region and fellowship wide (asap or some determined deadline).

RSC Minutes Nov. 21, 2021

A four or five panel of past WSC participants will each share briefly on their experience at the WSC level of service (or mix that with past or present Zonal Delegates. The speakers can be chosen from the Florida Region but should also include participants from outside the Florida Region.

The Admin workgroup as well as RCM's are responsible for dissemination of the event information including the appropriate use of Social Media when possible.

Hotel Room costs will be reimbursed to members outside of a 75-mile radius measured from that area to the RSC hotel. No exceptions will be made. Each individual will be responsible to pay for (or share) their own hotel room expense and can submit a reimbursement request. If the room block secured is not met by the deadline allotted the Florida Region will pay the difference.

Rationale: Based on the survey results internal education of our process continues to be the number one issue in regard to the GSR Assembly. Communication to the fellowship as a whole is not far-reaching. There is an even greater challenge post pandemic as many addicts seem to have not only drifted from Service but have drifted from the fellowship in General. While there seems to be a general understanding of a GSR's role there is a general lack of understanding of our service structure beyond ASC's and in several cases beyond even just the home group level. Of the respondents 64% stated they vote on the CAR proposals in their home group but only 23% attended CAR workshops prior to voting in their home group. Another surprising response was that more than 77% of the respondents think the GSR Assembly is only for members in service. Almost half of the respondents never attended a GSR Assembly and an equal number never heard of a GSR assembly. While the survey showed a steady increase in the number of attendees (of the respondents) we felt that this statistic was not very helpful or accurate without being coupled with additional data that we did not ask for. Less than 20% of the respondents attended while they were not a GSR and this was perhaps the most informative response and a deciding factor in formulating a revised program for the assembly.

The overwhelming response to why members did not attend a GSR Assembly was that they were unaware of the event. For this reason, we do not believe not having an assembly is a viable or beneficial option.

A modification to the program but more importantly an improvement in the way the information is disseminated to the Areas needs to be found.

Asked if the GSR assembly should be continued every two years 60% said yes and 40% said no with a small percentage unsure. The GSR assembly has typically been an event that coincides with the WSC. The cycle of the WSC is what has driven the scheduling of a GSR Assembly. We do need to be aware that there are currently discussions to revise the WSC cycle. These revisions would greatly affect the cycles of many trusted servant positions and will need to be discussed moving forward.

Intent: See Rationale - Summarized the intent is to bring a greater number of members into service and attendance at the GSR Assembly, make the GSR assembly an attractive well attended event again and to educate our fellowship about all matters service related which has the affect of improving many people's recovery experience in NA and in life.

Spiritual Impact: Positive as it would bring a greater number of members into service.

Financial Impact: Might save the Region some funding but most importantly it would be a prudent use of NA funds.

Guide proposed that the proposal be sent back to the maker.

Purpose of the GSR Assembly:

The bi-annual GSR Assembly is a meeting of all the GSRs and RCMs in the Florida Region. BRIDGING THE GAP

Announcement

The Florida Region fellowship is adopting a new project called “Bridging the Gap”. The purpose of Bridging the Gap is to provide a “Bridge” between people reentering their communities from incarceration and their first meeting of Narcotics Anonymous.

VOLUNTEER ONLINE BY EMAIL

1. E-mail your contact information to: BridgingtheGap@naflorida.org

HOW IT WORKS

When you volunteer, we ask you to provide your contact information. This information is used to match you to the newcomer. Your information is considered strictly confidential and never released to any other NA member or outside organization. A member of the Bridging the Gap team will contact you and provide some basic guidelines.

When a request for a temporary contact is received, you will get a phone call to see if you are available to help out. You can always decline and we will ask you again the next time. The newcomer’s contact information will be given to the first available volunteer.

You will arrange to connect with the newcomer at a meeting as soon as possible. At the meeting you will introduce the newcomer to other members of the fellowship, explain about NA literature, provide a meeting list, and encourage the newcomer to join in fellowship after the meeting. You will make additional arrangements to meet at three or four meetings over the next couple of weeks.

This is not a temporary sponsor program. It is simply helping the newcomer feel welcome and connected to the fellowship. That is all there is to it. Help make this project be a success and volunteer today.

Minutes Review

- Minutes were reviewed and discussed

Updates

- We discussed the possibility of Zoom meetings and where those would occur.
- The continuity of meetings for those who are awaiting sentencing in a local jail and then eventually being served by the DOC was discussed and classification was brought up as an interesting new idea as to whether someone who was involved in NA at the jail could possibly be directed to a location that had NA at the DOC institution where they were placed.
- The difference between H&I at the local level and Behind the Walls was discussed and clarified (H&I is at the area level and deals with county jails, BTW is at the “almost the whole state” level and deals with all Federal and State institutions.)
- The meeting with Maggie, Nikky, Julie, and Jordan facilitated by Project 180 was discussed in detail.
- A spreadsheet was shared that the admin team will be using to track people through the process of getting cleared.

- Maryanne Rodino was denied by the Application - is there a way to find out why?
- Steph H was cleared by DOC and an email was sent to the Chaplain at Hernando CI to start that process to get a PIN.

Old Business / Completions:

- Kim S: Members are not returning contact for those to follow up with

- Colin H: mailings to chaplains have been postponed following discussion with Maggie Agerton at FDC -- they believe dissemination of materials may occur with more success by directing them through her team.

Completions

- Colin H: scanned in the meeting information and letter from the long time addict behind the walls at Lawtey CI and forwarded to Tami so that Hope Rises can send books - Tami confirmed the books have been sent

New Business / Commitments

- Colin will ask for regular meetings with FDC

(ISWG) is a sponsorship program offered by The Gold Coast Area of Narcotics Anonymous to help addicts that are incarcerated.

Addicts behind the walls work the 12 Steps of Narcotics Anonymous with a sponsoring addict on the outside through the mail. For several reasons these sponsors cannot and will not write letters for court, parole, probation, nor will they send stamps, money, or packages.

If you would like to be assigned an NA sponsor to work the 12 steps by mail, provide us with

RE: RSC Report

FRCNA, Inc. held its regularly scheduled board meeting 11/20/21 from 9 am- 12 pm. All nine board members were present.

We have pre-convention merchandise and registration flyers for everyone to take back to areas. We are always accepting speaker submissions. Please go to our website for more information. Speaker submissions must be uploaded to the website as MP3s, please do not send CDs or other types of recordings.

Support meetings are held here at Rosen Centre on the first Sunday of even months. Specific room designations will be posted on the website closer to each meeting. December 5 is the next support meeting for planning of FRCNA 40. Please help to encourage members to be a part of the planning of the 40th convention. Each support committee is comprised of two representatives from each area who have a vote, but all members of the fellowship are encouraged to attend.

The theme for FRCNA 40 is **The Masks Must Go**. Convention dates are June 30-July 3, 2022. All information related to FRCNA 40 can be found on our website www.frcna.com. The convention site is here at Rosen Centre; 9840 International Drive, Orlando, FL. Phone: 407-996-9840. The room rate is \$137.00 a night for double occupancy \$20.00 additional per person. We also have a prudent reserve for FRCNA 50 in the amount of \$50,021.28.

New updates:

We have formed a taskforce for convention information. This group reports to our IT group under programming. They will manage virtual engagement and fellowship outreach including H&I.

The opportunity to purchase pre-order convention merchandise, the deadline to order will be closed in February due to the ongoing global shipping delays. If you miss this deadline you will have to attend the convention to get merchandise but if you pre-register you will be given early access to the merchandise room. We want to ensure we can secure merchandise for the convention.

Did you know we ask the fellowship to submit and select themes and logos for future conventions. So, watch for polls on our social media platforms and the webpage to submit your NA related ideas. The top four convention themes for FRCNA 41 will be voted on by the fellowship attending FRCNA 40.

We have decided to try something new by renaming the hospitality room at the convention. We are going to be calling it the escape room. Many hotels do not allow food to be brought in from outside venues for groups. Costs to purchase food from the hotel is not a good and prudent use of NA funds. For example, a dozen cookies at a hotel cost on average over \$50. The “escape room” will be a place where you can go to escape the chaos of the convention for a few minutes, pray, mediate, have a cup of java, work on the jigsaw puzzle, or meet with your sponsor rather than a place to get food and snacks.

The convention logo for FRCNA 40 will be selected by the merchandise committee at the December 5 support committee meeting. Please come and join us.
