Secretary Report

Amendment to July Minutes

Jeff S is no longer H&I Coordinator. He officially stepped down at May Region. Cindy will take over in September. The position should have appeared vacant in the contact sheet in the July minutes

Printed Minutes

The RSO has returned their leased printer which we are told means we can no longer have them print and mail the minutes. As such, we will work to find a new best practice for how to mail printed minutes. For the July RSC, we mailed out 3 sets of minutes. The printing, supplies and mail cost = \$64.99

Contact Sheet:

The contact sheet is going around. Please make sure your information is accurate, if it is not, please correct it. If you are a new or acclimating RCM, please provide the requested information.

Reports:

For all trusted servants who are submitting a report, please make sure your reports are submitted by one week from today, Sunday, Sep 22, 2024, so we have enough time to process the minutes. If you are having difficulty submitting your report, please let us know how we can assist.

Admin Report

We meet virtually at 8:30pm on the second Monday of every month and if any members are ever interested, you're always welcome to join:

<https://us02web.zoom.us/j/82328960092?pwd=ZWZHSWpMdk2TDBwUjhTN25Sbnk5QT09> Meeting ID: 823 2896 0092 Passcode: FRSC

In August/September these are some of the bigger things we discussed:

- The upcoming strategic planning meeting that we have scheduled for October 19th.. We had considered doing the meeting at FACNA and just renting a boardroom at the hotel but there were some issues with that so we're going back to checking on some places in Lakeland. We did find a need to consolidate some of our budget line items for Strategic Planning as they're spread in multiple areas in the budget.
- Getting the names on the Bank of America account updated to remove past members and add in current ones.
- The need to slow down and educate newer RCMs was brought up in August. We discussed having more training and the idea of doing a pizza lunch and learn. In September there was discussion about the budget for it and a member voiced concerns about using RSC funds to purchase the pizza. Other members mentioned that it's a pretty common practice in service.
- The treasurer brought up the mileage rate reimbursement amount and there was discussion about the history and past motions regarding this topic.

The complete notes from our meetings and upcoming topics can be found here:

Treasurer Report

Hello everyone,

On July 1, 2024, the opening bank balance was \$30,915.77. After deposits of \$18,798.40 and expenses of 7,539.92 on August 31, 2024, the ending book balance was \$42,174.25. After deducting \$10,000.00 withheld for the next RSC, the Prudent Reserve of \$11,000.00, the GSR Assembly Reserve of \$4,800.00, and the Florida Service Symposium Reserve of \$5,250.00 the available balance was \$11,124.25. After discussion, I proposed to withhold the Island Nation travel budgeted amount of \$4,200.00 from the donation to NAWS. A check was written to NAWS for \$7,124.25.

As of RSC held on September 15, 2024, we received \$1,450.29 in income and had \$6,675.65 in expenses. Additionally, we allocated the monthly reserve of \$350.00 for the GSR Assembly & \$800.00 the Florida Service Symposium. Therefore, after RSC business the available balance was 548.89.

*This does not match what was read on the floor due to adjustments during final reconciling prior to submitting reports.

Comments/Current Issues/Concerns/Questions/Problems

The Treasurers Report at our most recent ASC meeting which took place on 9/8 concluded our areas ending balance is \$283.10 below prudent reserve. To provide additional insight we brought in a total of \$30 in group donations and our Total expenses were \$155.85. When I requested for my RCM Reimbursement check they declined and asked me to please request funds from the region due to our current financial circumstances.

I am going to please request \$275.00 from the region. The big bend area has \$275 approved and written into the budget for my physical participation at region. Which I did receive in July. Would the Region please consider my request.

Just waiting to find out what happens regarding insurance through the Region

Fellowship Development Group

Saturday's Area Support meeting began with a welcome to the Florida region, and participants were informed about placards for identifying key people. The facilitator reminded everyone about the special lunch for newcomers and took an initial count of those interested. After some technical adjustments to the microphone, the group moved forward with readings.

Natasha read the NA service statement, outlining the primary purpose of the group, while Marina followed with a reading of the 12 Traditions, which guide the fellowship's unity and functioning. Megan then read the 12 Concepts for NA Service, which focus on leadership and accountability within the organization. Ernest read the purpose of the area support group, and Angelo explained the role and goals of the fellowship development group.

The meeting shifted to introductions of the trusted servants, beginning with Ernest, the regional facilitator, who described his role in keeping the business side of the meeting on track. Michelle, the co-facilitator, introduced herself as well, mentioning that she assists Ernest and made vegan chocolate chip cookies for the event. Belinda, the fellowship development leader, gave a lively introduction, sharing her enthusiasm for the work and inviting newcomers to engage. Colin, the FD co-leader, echoed Belinda's sentiments, stressing the importance of building

connections to help regions serve more effectively.

Liz, the public relations coordinator, discussed the success of bi-monthly PR meetings and encouraged participation from areas with fewer active PR members. Cindy, the hospitals and institutions (H&I) coordinator, expressed her excitement for her first official meeting in the role, outlining plans to start bi-monthly gatherings to collaborate with other committees.

Next, Pam, the technology resource coordinator, explained her responsibilities in setting up the meeting's tech needs and introduced attendees to the NA Florida website's resources. She highlighted the orientation booklet, which helps new members familiarize themselves with the structure and processes of the Florida Region.

Jennifer, a member of the Human Resource Panel (HRP), explained the HRP's function in overseeing the volunteer pool and how they match trusted servants with appropriate roles. Christy, the HRP guide, emphasized her role in maintaining the Florida Region Guide and ensuring it is followed during meetings. Mark, Allen, and Anna, other members of the HRP, shared their responsibilities in helping with interviews and documentation for open positions.

The delegate team, Ramon (regional delegate) and Carlos (alternate delegate), introduced themselves next. Ramon explained his role in communicating with the World Service Office and carrying the region's vote to the World Service Conference. Carlos added that his duties included managing hotel contracts for the meetings.

After the introductions of the trusted servants, the focus shifted to newcomers. Jeff, an RCM from the Tampa Funcoast area, introduced himself along with his fellow area members, Paula and Jean. Other newcomers included Sylvie (RCM for the Forest Area), Jackie (chair of the Forest Area), Sam (alt-GSR for Bay Area), Gwen (RCM for Trinidad and Tobago), and Josh (GSR from Recovery Coast).

After the introductions, the actual support process began with encouragement from veterans of the process to newcomers to share issues from their local NA areas, particularly any challenges or successes they were facing. The discussion was aimed at fostering problem-solving and collaboration through the sharing of experience, strength, and hope.

Stefan brought up a concern from his area about the confusion and lack of clarity regarding procedural guidelines during meetings. He mentioned a specific incident where a vote was taken without a full understanding of the NA concepts and traditions, resulting in a decision that left some members feeling unheard. Stefan felt that this created tension within the group, particularly around whether members' voices were valued. He sought input from other areas on how to handle situations where long-standing members feel marginalized after a controversial vote.

Ernest and Shahid responded, emphasizing the importance of mentorship for new GSRs and ensuring that everyone understands NA's traditions and concepts. Shahid explained that in his area, mentorship had been key to ensuring new members could effectively participate in discussions and decision-making. He noted that his area was considering creating a priority list to ensure important expenses and services are funded appropriately.

Marina echoed these points, stressing the need for areas to avoid rushing decisions, especially if not everyone fully understands the proposals. She suggested tabling votes until everyone was clear about what was being decided. This approach would help maintain the integrity of communication, a key part of NA's Eighth Concept.

The conversation shifted to the GSR orientation process. Several members, including Trina and Nina, shared their experiences with new GSRs feeling overwhelmed by the responsibilities and expectations. Nina emphasized that raising one's hand to ask questions can be intimidating for newcomers, and suggested offering pre-meeting orientations to prepare GSRs for what to expect. She also proposed visiting home group business meetings to educate members about what it means to be a GSR, as many home groups lack this understanding.

The next significant topic was a financial concern raised by Megan, the RCM for Big Bend Area, which had recently fallen below its prudent reserve. She explained that their area's expenses were exceeding the donations from groups, and that even routine costs, such as her reimbursement for attending regional meetings, were pushing them further into financial difficulty. Megan sought advice on how other areas had addressed similar situations.

Several members offered insights:

Corey (RCM for FunCoast) shared that his area had faced the same problem and resolved it by re-evaluating their budget. They reset expenses to match actual donations, significantly reducing non-essential budgets such as for PI (Public Information) and H&I (Hospitals and Institutions) until the financial situation improved. He suggested going back to the groups and explaining that if they wanted more services, they would need to increase their donations. Christy from the Bay Area suggested creating a priority list of expenses, putting essential services (e.g., helpline, H&I literature) at the top and delaying funding for non-essential services like newsletters and travel for RCMs. This approach ensures that the area can continue to function while maintaining financial prudence.

Christina (Recovery Coast) asked whether the financial shortfall was primarily due to insufficient donations or increased expenses, such as insurance. Megan clarified that it was a mix of both, with fewer donations and ongoing expenses both contributing to the shortfall.

The group then transitioned to a discussion about liability insurance, which several areas expressed interest in. Mark B explained that he was working on gathering information that would serve to facilitate securing regional insurance that would cover all meetings and events in participating areas. He emphasized that the more areas that participated, the lower the cost per group. To move forward, Mark requested that areas submit their meeting lists, including addresses and average attendance, to provide accurate data to insurance providers. Several members, including Jeff (Palm Coast) and Malcolm (First Coast), shared details of their current insurance policies, with costs ranging from \$600 to \$2,200 per year, depending on the size and scope of coverage.

Mark clarified that areas do not need to be incorporated to be covered under the insurance plan. The IRS recognizes NA as an unincorporated association of individuals, which meets the requirements for obtaining liability insurance without the need for 501(c)(3) or LLC status. However, he also mentioned that if areas already had nonprofit status, it wouldn't interfere with participating in the regional insurance program.

As the meeting progressed, Tammy asked whether the insurance would cover special events, such as area activities. Mark confirmed that events could be added to the policy on a case-by-case basis, but regular meetings would be covered under the general policy.

Jennifer, the area chair for River Coast, raised concerns about her area's prudent reserve. She mentioned that they had not re-evaluated their budget in some time, and the area was struggling with a lack of donations from home groups. Despite having seven home groups and 10 meetings, only two groups, along with her own, were financially supporting the area. She explained that her home group tries to donate what they can by maintaining a small reserve for two months' rent and passing the rest to the area.

Tammy, from another area, shared that they faced a similar situation and responded by eliminating reliance on event revenue for their area budget. This ensured that the area wasn't dependent on the income from activities. Her area, consisting of 15 home groups and 20 meetings, decided that if member donations couldn't cover the costs, then they wouldn't operate above their means. She gave an example of how they had an event with 60 attendees, 25 of whom were newcomers who didn't contribute financially, but the event was still a success because their budget wasn't dependent on those extra funds.

Jayme, a GSR from Heartland, asked how areas determine how much goes into a prudent reserve. She mentioned that her area lacked a treasurer and chair and was unsure how much to allocate. This led to a discussion about how different areas handle prudent reserves.

Nina, from the Bay Area, responded that her home group keeps two months' worth of expenses, including rent, literature, and other essentials. She also emphasized the importance of educating home groups about the Seventh Tradition and how donations should be used to carry the message to addicts who still suffer. Nina explained that many groups hold on to money without understanding its purpose, and part of her role as an RCM is to ensure GSRs are educated on how to manage funds and donations properly.

Pam, another area representative, shared that her area also routinely falls below its prudent reserve but isn't overly concerned because they still have enough in the bank to cover two months of expenses. She explained that a prudent reserve is meant for worst-case scenarios, and their area keeps enough funds in the bank to stay operational for two months, even if donations stop.

Carlos added that there is a spiritual aspect to handling finances, explaining that some groups operate by faith alone, without a prudent reserve. He also reminded the group of advice given at a zonal symposium: to take care of local areas first before sending excess money to regional or world services.

Jeff, from Palm Coast, discussed how his home group once made a large donation to the area from an event, but now they spread that donation over time, making monthly contributions to maintain a steady flow of support for the area budget.

Jackie, chair of the Forest Area, referred to NA literature, specifically the pamphlet "Money Matters: Self-Support in NA." She emphasized that groups should not hold on to large sums of money and should prioritize their financial responsibilities to ensure the NA service structure remains functional. She shared that her home group zeroes out their budget each month, donating everything beyond their two-month reserve to the area, region, and world.

Trina followed up by mentioning the Eleventh Concept, which emphasizes mutual responsibility at all levels of service. She suggested that groups review the concept to better understand their financial obligations and priorities.

The group then discussed how areas calculate their prudent reserves, with Colin explaining that his area multiplies their monthly expenses by 2.5 to determine the amount, and Pam mentioning that her area also sets aside funds for insurance deductibles and renewals.

Next, the conversation moved on to the viability of the GSR assembly. The conversation began with some pros and cons for keeping it vs facilitating making it a zonal event. Carlos shared about how it could be planned to

incorporate more training workshops and suggestions to streamline events by reducing extra costs like meals if it were to stay regional. The Women in Service dinner, a longstanding tradition, was discussed, with ideas about how to continue it if the Florida Service Symposium were to be handed over to the zone, perhaps by integrating it into a local event like the GSR assembly.

The lunch segment was set up to provide an orientation for newcomers to the Florida Region:

It was structured as a "Lunch and Learn" gathering with pizza provided from Red's Deli at the Rosen. Attendees, including Regional Committee Members (RCMs), facilitators, and members from various groups, had the opportunity to share knowledge about the structure and processes of the Florida Regional Service Committee (RSC). The primary focus was on clarifying and answering questions about how service works at the regional level, how to use the tools available, and the importance of ensuring group members are informed and able to contribute effectively.

Key Points Discussed:

1. Orientation and Training for RCMs:

- * New RCMs and GSRs (Group Service Representatives) were encouraged to review the RCM Training Tool available on the Florida Regional website. This tool helps new members understand their role, what is expected of them, and how they can contribute effectively on the RSC floor.
- * The importance of reviewing minutes from previous RSC meetings was emphasized, as it helps RCMs stay informed and ensures they can explain decisions and ongoing business when they return to their home groups.
- * It was mentioned that the Florida Guide to Regional Service is available online and acts as a flexible document guiding decisions. It helps members understand how to navigate decisions and address conflicts. Unlike rigid policy documents, the guide allows for flexibility and adaptation when necessary.

2. Consensus-Based Decision Making (CBDM):

- * Several participants asked questions about CBDM and how it differs from Robert's Rules of Order. The RSC uses CBDM as its primary decision-making process, which requires 80% consensus for most decisions rather than a simple majority vote (51%).
- * In CBDM, members share perspectives instead of listing pros and cons. The goal is to find common ground and modify proposals to meet the concerns of as many members as possible. This ensures a more cooperative and unified decision-making process, and avoids the feeling that a minority of members are being overruled by a majority.
- * The guide helps explain when and how CBDM is applied, and the RCMs were encouraged to use it as a reference.

3. Roles and Responsibilities:

- * Attendees were reminded that RCMs hold significant responsibility. They serve as the voice of their area on the regional floor, and their input is crucial to guiding the decisions of the region. The session emphasized that RCMs should never hesitate to ask questions or seek clarification.
- * It was explained that on Sundays, when business is conducted, only RCMs have a voting voice. Other members, including facilitators and coordinators, do not vote but help guide the process.
- * Additionally, the importance of preparing reports and understanding old and new business was highlighted. RCMs were reminded to review past minutes to stay informed about ongoing discussions.

4. Florida Service Symposium and Future Planning:

- * The Florida Service Symposium was discussed, particularly in the context of whether it should continue to be a regional event or be passed to the Southeastern Zonal Forum. It was noted that other regions have already moved

their service symposiums to zonal levels, which allows for more resources and participation from multiple regions.

* It was also mentioned that the Southeastern Zonal Forum has expressed interest in possibly taking over the symposium. A workgroup has been created to assess the viability of this.

* Several ideas were brought up, including the possibility of streamlining the event to make it less expensive or expanding the GSR Assembly to include workshops and events that would offer similar value without the costs of the full symposium.

5. Additional Training and Resources:

* Attendees were encouraged to explore the resources available on the NA Florida Virtual Outreach YouTube channel, where they can find training videos and educational content on consensus-based decision making, as well as other aspects of regional service.

* It was reiterated that the RCM Training Tool, CBDM Basics, and various online materials are there to support members in understanding and carrying out their roles effectively.

6. Importance of Communication and Teamwork:

* Throughout the session, the facilitators emphasized the importance of open communication, teamwork, and asking for help when needed. RCMs were encouraged to reach out to the RD, AD, and facilitators for clarification on any issues they might face when reporting back to their areas.

7. Final Encouragement:

* The session closed with encouragement for members to remain engaged, participate actively, and make use of all available resources to ensure they feel empowered to fulfill their roles in service.

This session was designed to foster understanding and collaboration, ensuring that all RCMs, whether new or experienced, feel supported in their service roles.

H & I Resource Coordinator Report

Hospitals and institutions, I have not done very much being recently elected. Plans on going forward by next RSC is to have a list of all the H+I Area, chairs, and information on their commitments
And also get started a virtual By monthly meeting with the area chairs.

Public Relations Resource Coordinator Report

We would like to thank this Region for the opportunity to serve. Cindy C. has completed not PR Resource Coordinator position and we would like to Welcome Charles D. as our new PR Co Resource Coordinator. (2 year term) also her prior commitment as Co PR Resource Coordinator position. Thank you for your service.

We attended our Fellowship Development team virtual meetings in August and September.

I was blessed to attend the World Convention in Washington D.C. and it was wonderful to see that NAWS provided

6 PR Forum Workshops. So much new information and PR resources were shared. It was a wonderful experience. On September 9th we met with the area PR chairs for our Bi-monthly meeting. We had 13 members in attendance. All areas shared what their PR committees have been working on and their upcoming tasks and events including any accomplishments and concerns.

We had a member of the SEZF PR Task force present some of the PR Social Media Project information to our area PR members. This included information on the SEZF Facebook Page, some videos and information on all of the resources found on YOUTube - NA.Virtual.Outreach. We were very grateful to have the presentation.

The next Southeastern Zonal Forum (SEZF), PR Task Force Online Meeting meets virtually on September 25th, 2024 @ 8pm – 9pm. All members are invited to join, and it is a great opportunity for PR Committee Chairs and Vice Chairs to stay connected and access resources. The meeting information is Join Zoom Meeting <https://zoom.us/j/898667927> Meeting ID: 898 667 927 – you can also go to sezf.org for all meeting information.

Another wonderful resource for all PR enthusiasts is the NAWs Web meetings. Currently they are meeting quarterly, if you email the below email, you can get updated emails to keep you up to date on when the next meet is scheduled. Public Relations web meetings are a gathering of area & regional PR trusted servants who share their experiences and challenges with PR service; topics are identified by PR trusted servants. For more information or notes from previous meetings, write to pr@na.org.

The CaroliNAs Multi-Regional Service Symposium will be on September 28th - 9am - 9pm - Hopefully I am going to attach the flyer to my report.

Any RCM's who do not have a current PR Chair, you are welcome to join our Bi-monthly meeting. Please contact me if you would like to be added to our virtual meeting group.

If you have any questions or would like additional information, please do not hesitate to contact me at prc@naflorida.org

In loving service,

Liz B. and Cindy C. and Charles D.

Technology Resource Coordinator Report

First, I would like to welcome our new IT panel members Charles and Robb. I'm excited to start working with you both!

The IT panel has been meeting every 2 weeks to work on updating processes and streamlining how things work. All new RCMs will have their emails set up soon so be on the lookout in your personal email box for further information. Please reach out with any questions or if you need any help getting those emails set up.

We are discussing switching the zoom settings for the RSC weekend from waiting room to password protected to streamline people getting into the meetings. The waiting room causes delays in people joining the meeting and may cause them to miss vital information.

As a reminder to have events added to our regional calendar you need to submit a New Event Submission Form from the Events page on our regional website. You can also reach out if you would like to link your area calendar to the regional calendar, please reach out to me via email for more information.

If you need any help with your websites or emails or have any questions, please reach out to me. We also have a member offering their services for website design and maintenance. If you are interested in this, please reach out to me directly.

We have positions available on the IT panel. If you are interested, please contact me or HRP for more information.

We are also in need of an Alt IT Coordinator. Please make sure your form is up to date and submitted to the HRP if you are interested.

I want to thank the region for allowing me to serve and all the help and support they have provided.

In Loving Service,

Corrections Resource Coordinator Report

Greetings Florida Region,

Corrections is active in the Florida Region. The Corrections coordinator position is open, but the workgroup is active and Colin H is standing in as the secretary until such time that someone is voted in as the coordinator. It is expected that an interested person serve on the Corrections Workgroup for awhile prior to becoming the coordinator. There is a requirement of 3 years clean time. If you or someone you know is interested in joining the workgroup or becoming the coordinator, please find us on Zoom on the second Sunday of the month at 6:30p with the meeting ID of 810 1946 1788 and passcode of 111111. October's meeting has been adjusted to be on the first Sunday at 6:30p due to a scheduling conflict. These meetings are listed on the Florida Regional Calendar with flyers and how to join.

There is a strong need for addicts to take meetings behind the walls in several areas within the Florida Region.

Corrections is not H&I. There are several subtle differences that stem from the different focus. The goal of the Corrections workgroup is to start meetings that can stand on their own in the state and federal correctional institutions within the Florida region. Please be aware that working with the DOC will break your ability to stay anonymous as background checks and full names are typically required. We do have roles on the workgroup where you can stay anonymous though. Please join the workgroup meeting over zoom as listed below if you'd like to learn more or get involved.

There are five top level projects of the Corrections Workgroup.

These top level projects are, Behind the Walls, Inmate Step Working Guide, Bridging the Gap, Hope Rises, and Between the Walls.

The Behind the Walls project handles coordinating taking meetings into and building home groups that exist behind the walls of state and federal correctional institutions. This includes literature delivery to institutions to support this effort. The end game for this project is to have the addicts behind the walls running their own meetings. Depending on the institution, there are varying levels of this occurring. If you are willing to help start these meetings, attend the workgroup meeting.

The Inmate Step writing guide (ISWG) group is alive and well and anonymously working steps through the mail with those behind the walls. The group providing this service is based out of the Gold Coast area. The last numbers I received were that around 30 addicts were working steps anonymously with this group. If you want to get involved with the ISWG, please check out the flyer attached in my report to attend the monthly training over Zoom.

The Bridging the Gap program is also alive and well and addicts are being scheduled to meet those who are getting released at a meeting.

Action item for those reading: Please bring up at your H&I subcommittee meeting to request a liaison be (s)elected to coordinate when someone is getting released into your area. Typically we call the helpline and attempt to get connected that way, but having a direct connection would help and it would provide more understanding about what is going on.

The Between the walls is our program is moving forward. "Between the Walls" means you will be able to chair a Zoom meeting from the comfort of your couch where all the participants are behind the walls at a Florida institution. Please contact me or the workgroup because we need volunteers to do this! I know several of you have told me that the reason you don't want to serve is because of the anxiety of going into prisons, so this is your solution! The pilot location chosen by the FL DOC is NW Florida Reception Center. They are still waiting on literature so the current meeting is with Appalachee CI.

Action item for those reading: Addicts with 1 or more years clean willing to submit a free background check with the state of Florida and join our Zoom meeting from 10a-11a on Thursdays. Even if you can only commit to one a month, we need you!

The Hope Rises Book Project (HRBP) is a Tshirt project where each sale of a t-shirt gets a basic text in the hands of an addict behind the walls in the Florida Region. These books are entirely purchased and shipping coordinated with RSO for correctional institution delivery. The Hope Rises project has fulling migrated to the Florida Region and we made enough to cover 20 books while at FRCNA. The t-shirts look great and we have passionate members in the group and we on the Corrections workgroup are excited and heppy to welcome them to the fold! If you are taking meetings into your local jails or prisons and are being asked about literature or how they can get a Basic Text, please find the Hope Rises Book Project flyer attached to this report to share it with them, the local chaplain, to the programming staff at the institution.

HOW TO GET INVOLVED

1. Check out the flyers attached to the Corrections report and share them with your area and groups
2. Attend the Corrections workgroup meeting every other Thursday from 8-9p over Zoom. The next meeting is Thursday, September 21st and the Zoom meeting info is below:

The Zoom link is :

Passcode: 111111

Please join the workgroup if you want to serve but not sure how.

HOW TO GET CLEARED FOR BEHIND THE WALLS AND BETWEEN THE WALLS SERVICE

1. Familiarize yourself with the process:

It is a requirement to be registered with the State of Florida Department of Corrections volunteer system as well as

complete a background check and fingerprints to attend an NA meeting in person at a prison or over Zoom that is streaming into a state or federal institution.

If the process is confusing, I have attached a powerpoint presentation going over the process that is built and distributed by the DOC. Please contact me if anything is still confusing after reviewing this presentation.

RSO Board Report

RSO Report
Florida RSC 9/15/2024

Greetings to the Florida Region from your Regional Service Office and its Board of Directors.
The Board of Directors met on September 7, 2024, virtually.

At that time our balance with the WSO was \$0.00 However we have put in an order since then for \$58,083.31 and will be adding to that order so that we will have the new Survival Kits as well as possibly a SPAD special addition in a decorative box available for you to purchase from the RSO.

In the bank at this time: \$ 45, 259.41

RSC Minutes Sep 15, 2024

Inventory: \$138,838.58 that is retail value of \$154,000.85

CD Balances: 6716 \$10,057.22 matures 7/25/2025 at .05%
4705 \$12,835.67 Matures 11/13/2024 at 4.0%

The first one I mentioned rolled over automatically and we are looking into cashing it in for a CD at a better interest rate. The interest should be more than the penalty for early withdrawal. We are looking into it.

Monthly sales: June: \$56,974.22
July: \$56,355.52
August: \$53,903.20
Up to September 5: \$ 2,287.20
Year to date: \$181,248.41

Here is the good news. We have been in the black for the past 4 months. Now don't get too excited it is only pennies that we made but we are not in the red and bleeding at this time. Our intention, if we keep moving in the direction we are going and increase income it is the board's intention to pay back the RSC the \$3,500.00 you gave us last RSC.

Now for our workers. Amanda will be leaving us and it does sadden us. Her last day will be September 19, 2024. She has been training Ashley who will step in as the Operations manager on September 23, 2024. We do have 2 candidates to replace Ashley's current position, and we will be giving them both a 2-week trial to see who best fits in that position. They both have been volunteering at the office up until now.

With the unfortunate events in the past month from the hurricane Roger has had his hands full attempting to recover from the disaster and rebuild his home, I know for all who is aware we are continuing to send prayers and love to him and his family. We have taken the ongoing investigation of reducing our waste management cost down and Tami and the office staff will continue to investigate this. They will also be looking into companies that process credit cards as the company we work with charges 3.999% which the customer is paying and we want to see if we can reduce that cost for our customers.

Come October when I return to Florida Roger and I will go to Case and change name on the accounts. All of the board members filled in conflict-of-interest forms as this is required now with the taxes.

Tim has now created a name and registered it for the RSC as a subsidiary under the RSO 501C-3. Now he will see if he can set up an account in the name of the RSC it will be a DBA but it will be an account that you will only use and we can put your signatures on. He will be contacting the bank and we will let the admin know as soon as we do. We are attempting to smooth out some of the issues with the treasurer of this region, however it still is a work in progress.

On a side note one of the printers died on us and we will be getting a new one. We saw one that will do the job for \$299.00

Now looking to the future, we will be looking for specialty items that we can make a minimum of a 100% profit on because as you see from the inventory cost value of literature and the retail value there is not enough money to sustain the RSO on the literature alone if we are to keep the cost to you at the same price as world sells it for. More will be revealed as we look into those specialty items.

We also have a nomination for our Board of Directors. Dez.

FRC Board Report

To: Florida Regional Service Conference
From: FRCNA, Inc.
CC: FRCNA, Inc. BOD
Date: July 21, 2024
RE: RSC Report

Good afternoon, Florida Region,

First and foremost, the FRCNA BOD would like to take this opportunity to THANK every one of YOU!!! Our gratitude for this WE fellowship goes without saying and YOU definitely showed up.... planning and execution, pre-registering online, registered on-site, attended, participated, zoomed, volunteered, your enormous self-less service, so many of you who fulfilled commitments, our main speakers, workshop speakers, chairpersons, support committee members, regional and area servants, vendors and most importantly the Newcomers! YOU made this, the most undeniably, absolutely, without a doubt.... the very BEST FRCNA!!!

You inspired us to believe that after 360 days of hard work and commitment, once again, WE can achieve any goal, any time...especially 5 days of FRCNA XLII "When at the End of the Road"!!! WE serve at your pleasure and want to express that we are immensely humbled by the outpouring of love, hugs, excitement, gratitude, willingness, spirit, and patience demonstrated by OUR fellowship. THANK YOU...THANK YOU...THANK YOU!!!

The FRCNA, Inc. BOD met yesterday May 20, 2024, onsite. Our policy was updated when we met on July 1st and which time we updated our best practices and timelines. On July 5th we interviewed 3 BOD candidates for FRSC-elect and the FRCNA BOD President notified the HRP Leader of the candidates we were recommending: Patty K., Mike D. and Dennis J. When the candidates are elected, we are in compliance with our policy of 2 BOD members from each Area.

CFO Report: Our fiscal year ends on July 31st. Current expenditures revealed that we had a decrease in registrations and attendance which gives us an approximate \$20,000 loss of revenue. Coffee was \$18,053.06. We are fiscally prudent going into the next convention cycle for FRCNA 43. Our final accounting and CFO report will be available next RSC.

Support Committees

We started on Wednesday and ended on Sunday... a long week for all those that volunteered. We received mainly positive feedback regarding the Program, workshop topics apparently were a hit. We had 120 workshops speakers and 62 chairpersons that the Program Team filled within 3 weeks of the convention. There were only 4 chairperson and 2 speakers that needed to be backfilled. The FRSC Service Track facilitated by the Rd & AD Team along with FD was well attended. We feel this is the recipe to place it on the Program on Saturday in the 10AM timeslot for 90 minutes. The main speakers all spoke for a minimum of 45 minutes and we received positive feedback and the fellowship really liked our 2 Regional speakers the most! If you or someone you know would like to be a workshop speaker next year, We made sign-up sheets available in each workshop and you can always email info.frcna.com, clean time requirements are 4 years to speak. Marathon is always available for members who are not registered and there were a couple of Marathon meetings that were medallion celebrations. We are considering changing the name of the Marathon meeting to FRCNA Open Discussion Meeting from 6AM – 12AM.

The Serenity Keepers & Greeters were everywhere, if you wanted a dog vest, you were asked to do service, one of the recovery houses, Project 108 all signed up to be Greeters or Serenity Keepers. This was the best Serenity Keeper & Greeters chairperson ever and she worked closely with the Program Team to ensure that everyone attending the convention was wearing a badge.

Registration went smoothly and our experience since streamlining our process with the Square registers and online pre-registration is cost effective and positive. We had very few members compared to last year that were unwilling to pay for registration. How did you like that swag in your pre-registration and registration packets? Pre-registration for FRCNA 43 is online only this year and was launched Saturday night. Our July Special is only \$50 until 5PM on July 31st. The hotel booking link is also up on the Venue tab to book your room. Onsite registration for FRCNA 43 will be \$70.

Hospitality/Escape Room, our members like to be busy with puzzles and card games as well as drinking coffee and socializing in the Hospitality room. The Escape Adventures, there were 2 Adventures on Friday and Saturday were a HUGE hit. There were teams of 4-8 and two winning teams, 1 Friday and 1 Saturday. The Escape Room which was one each on Friday and Saturday nights and an ENORMOUS hit! The teams were locked in a room, a live immersive and interactive with a set of clues and one member handcuffed to a table and whoever escaped in the least amount of time, won. The winning team was all girls of which 2 of the 8 members were newcomers. Thank you to our Recording Secretary/Program Co-Chair did a fantastic job putting together the scripts and clues for the Escapes which were all recovery orientated.

Entertainment which included the dance on Friday & Saturday, Yoga, Auction and Comedy Show were all well attended and a nice variation from workshops and speakers. Thank you to our Zoom Team for an awesome job zooming the Main speakers and Corrections. This was Arlyn's last year providing ASL for the Main speakers, we thank her for her service.

Merchandise went well, the Stanley cups were popular and sold out. The Limited Edition Sunday only t-shirt was launched a little too late. Lesson learned, promo limited edition merchandise earlier.

Don't forget that you can find and follow us on FB, Instagram, Threads and X.

The Service Heroes Banner is awarded to the SUNCOAST Area for the most number of hours volunteering. Bay

Area was 2nd and Heartland came in 3rd.

The first Support Committee for planning FRCNA XLIII is scheduled for Sunday 10/20/24 from 10AM-12PM at the Rosen Centre.

It's time to start planning....FRCNA XLIII (43) "Vision Without Limits"!
Let's GOOOOOO!!!

ILS and on behalf of the entire FRCNA BOD

Proposal: To modify the donation to NAWS for one time. Normally, per the Guide to Florida Regional Service, the RSC would donate all money above prudent reserve. In anticipation of travel to and from Island Nations, it is proposed to hold back the \$4200 allocated for that already budgeted line item from our current donation. Holding this money back for anticipated use would make our donation after RSC in the amount of \$7124.25.

10th Concept Redress

This redress is regarding the AD and his behavior at my home group in the end of June. I was not able to come to the July Regional meeting to do this redress as I was having health issues.

When I went to my home group meeting at the end of June, I walked in, and the AD and his wife were sitting at a round table with a bunch of the Home Group members. There were other people in the room, as well as from the Treatment center that come to our Home Group. I put my purse down and went over to the table and starting hugging everyone. When I got to the AD, he pushed his chair back and very aggressively said to stay away from him and his wife that until I apologized to them for something I said to my RCM over a year ago he said stay clear of him and his wife. He was right in my face, and I had to back away from him. He said this in front of my HG members and people who come from the treatment center along with other members of NA in general. This was a trigger for me, and I have not been able to go back to this HG since this incident. I have found that it is an unsafe environment for me.

I had already processed with my Sponsor what I had said to my RCM. She chose to discuss our entire conversation from dinner, with the AD. I had asked our RCM, which I was taught to do, if I have a question regarding a workgroup at Region that I have the RCM ask the question. This is not the first time that the word “Dope Feine” has been said about how processes are handled at Region. Could I have used a different word, of course. That is on me. I am passionate about NA and the work that the Florida Regional does.

Now the behavior from the AD is a different story. Why did it take him over a year to say something to me when he has been at my HG several times over that year? He had no right to come at me like that in my Home Group. If he had such an issue with me, why didn't he take me outside and talk with me like a reasonable person would do. Why did it take him over a year to say something? This behavior has been a problem for the AD for many years. This is not the first time that he has yelled at someone. I know of 3 instances where his behavior has been unacceptable and one of the people, he yelled at, she is no longer doing service in the Florida Region for NA. I have permission from her to use

her name in this redress. BJ was the facilitator at the time, and he belittled her on the Regional floor. This behavior has also been shown on the floor from the past Treasurer and the RCM from Bermuda.

When are we going to stop letting people get away with abusive behavior?

We don't know what people are going through and the trauma's they have been through in their lives. NA is supposed to be a safe place for us to recover and not feel like we have worry about someone being abusive to us. We are the lifeline to all suffering addicts in and outside these rooms. Our literature states we are the eyes and ears of NA. We cannot stand silent and condone this behavior anymore.

Where was the spiritual principle of putting principles before personalities?

Where was humility practiced that day?

Is this the type of person we are wanting to represent The Florida Region of NA at the World level?

I know this is not the type of personality the AD wants to be known as.

What is the solution to these behaviors when we ask people to serve at the Regional and World level?

Our 4th Concept states "Personal background and professional or educational qualifications, though helpful, do not necessarily make for effective leadership. When selecting trusted servants, after all, it is the whole person we trust, not just their skills. And one of the first things we look for when selecting trusted servants is humility."

The 4th Concept also states, "Able leadership in the spirit of service does not drive by arrogant mandate, demanding conformity; it leads by example, inviting respect." "Our leaders must have integrity needed to hear others well, yet still be able to stand fast on sound principle, to compromise, and to disagree without being disagreeable, to demonstrate the courage of their convictions, and to surrender." "Honesty, open mindedness, and willingness, indispensable in recover, are also essential to leadership."

The 4th Concept also states, “We do ourselves, our fellowship, and our trusted servants a disservice when we ask our members to perform tasks they are incapable of fulfilling.”

True, our leaders are but trusted servants, not governors; yet we also expect our trusted servants to lead us. If we select them carefully, we can confidently allow them to do so.

Other responsibilities, while requiring certain specific skills, depend for their fulfillment far more heavily on the trusted servant’s spiritual maturity and personal integrity. Willingness, spiritual depth, and trustworthiness are strong demonstrations of the kind of leadership valued most highly in NA.

The 6th Concept says “Conscience is an essentially spiritual faculty. It is our innate sense of right and wrong, an internal compass that each of us may consult in our personal reflections about the best course to take. Our Basic Text refers to conscience as one of those “higher mental and emotional functions” which as “sharply affected by our use of drugs.” By applying our steps, we seek to revive it and learn how to exercise it.”

The 8th Concept states, “We need to be able to trust our trusted servants before we can confidently delegate them that degree of authority.”

The 9th Concept states, “Concept 9 also encourages us, individually, to frankly speak our minds in discussions of service issues, even when most other members think differently.”

“The 10th Concept is our fellowship’s guarantee of respect for the individual trusted servant. This concept may seem self-evident, but our belief in the principle involved is so strong that we want to say it loudly and clearly. NA is a spiritual society, with high ideals of how we treat each other.” It also states that if one of us is wronged in the service environment, the aggrieved trusted servant may ask that the wrong be made right.”

I would like to see our RCM’s start asking harder questions of candidates for positions on the board. Instead of just voting them in because someone wants your vote or because everyone else is voting for that person. This is not a popularity contest. Every position is important that we serve, and we need to start looking at how we vote people into positions.

I feel that HRP needs to do exit interviews with all members of Region. Ask the hard questions of why they are leaving and not taking a position on the board. Or, why they are not fulfilling their commitment. Also, make sure those are kept confidential and not spilled out everywhere. Use that information to create a workgroup on how to fix the problem going forward.

We do ourselves a disservice in NA when we allow ourselves to be a victim and not stand up for what is right. I no longer will be that victim and have worked hard on not being abused by anyone anymore inside or outside of these rooms.

I ask that this Redress be put in the meeting minutes.

Thank you,

Linda R-B

BRIDGING THE GAP

Announcement

The Florida Region fellowship is adopting a new project called “Bridging the Gap”. The purpose of Bridging the Gap is to provide a “Bridge” between people reentering their communities from incarceration and their first meeting of Narcotics Anonymous.

VOLUNTEER ONLINE BY EMAIL

1. E-mail your contact information to: BridgingtheGap@naflorida.org

HOW IT WORKS

When you volunteer, we ask you to provide your contact information. This information is used to match you to the newcomer. Your information is considered strictly confidential and never released to any other NA member or outside organization. A member of the Bridging the Gap team will contact you and provide some basic guidelines.

When a request for a temporary contact is received, you will get a phone call to see if you are available to help out. You can always decline and we will ask you again the next time. The newcomer’s contact information will be given to the first available volunteer.

You will arrange to connect with the newcomer at a meeting as soon as possible. At the meeting you will introduce the newcomer to other members of the fellowship, explain about NA literature, provide a meeting list, and encourage the newcomer to join in fellowship after the meeting. You will make additional arrangements to meet at three or four meetings over the next couple of weeks.

This is not a temporary sponsor program. It is simply helping the newcomer feel welcome and connected to the fellowship. That is all there is to it. Help make this project be a success and volunteer today.

CAR/CAT FREQUENTLY ASKED QUESTIONS

Q: What is the CAR?

A: The CAR (Conference Agenda Report) is a compilation of motions that have been brought before Narcotics Anonymous (“NA”), at the world level, during a World Service Conference (“WSC”). They are one of the ways NA World Services informs the fellowship of NA, all over the world, what is happening, what needs to be discussed, what needs to be voted on, and the future direction of the NA fellowship, worldwide, as a whole.

Q: Why do we need the CAR?

A: Just as we have motions and business meetings at group levels, area levels and regional levels we also have them at the world level. They are voted on at the WSC, once every two years, by delegates from each region in the world. The CAR is made in preparation for these World Service Conferences. Motions can be made by regions or the World Board, with motions made by regions often involving issues important to the region, and World Board motions important to the entire world wide fellowship. Because these motions affect NA as a whole, and impact NA members all around the world, the delegates from the regions are directed to vote based upon the consensus of the region itself.

Q: What’s in the CAR?

A: Items that typically are included in the CAR would be motions to accept the previous WSC minutes, motions on processes to be used during the upcoming WSC, motions made by various NA Regions around the world, reports, proposals, motions from the World Board and amendments to existing CAR motions. During a CAR-related “Discussion and Decisions” session, at the WSC, motions contained in the CAR (and any amendments to those motions) are carefully discussed and considered.

Q: What is the CAT?

A: The CAT is one of three different types of approval tracks for NA literature and service material (the other two being the Fellowship-Approval Track, and the World Board-Approval Track. For more information, see this PDF entitled “History of the Board-Approval Track”

(https://www.na.org/admin/include/spaw2/uploads/pdf/service/Board_Approval_Track_History.pdf),

and/or the current version of the GWSNA

(https://www.na.org/admin/include/spaw2/uploads/pdf/handbooks/2020-2023%20Draft%20GWSNA_May22.pdf)

Q: What types of NA literature and Service Materials would be covered by the CAT?

A: Examples of literature covered in the CAT would include Handbooks (i.e. “Public Relations Handbook”), Service manuals (i.e. “A Guide to World Services”), and Information Pamphlets (i.e. IP #12 The Triangle of Self-Obsession). In addition, the CAT would contain a variety of other material, that was not included in the CAR, such as the proposed NAWS Budget, project plans for the upcoming cycle, seating requests, recommendations from the World Board, and other service, or WSC-related material.

Q: Why do we need the CAT if we already have the CAR?

A: Prior to the Year 2000, all service material motions were included in the CAR making it an even more extensive, and complicated, report than it is now. Many groups complained that the CAR was overwhelming and the focus didn’t feel relevant to them. So, in 2000, a new mailing (the CAT) was proposed that would not only include motions on proposed literature, but would also include other items such as the proposed NAWS Budget, project plans for the upcoming cycle, seating requests, recommendations from the World Board, and other service, or WSC-related material.

Q: Why should I care about the CAR or the CAT?

A: You probably already know, or at least have heard, that NA is a “we” program, not an “I” program. This means your input is both needed, **and** very important to the present, and future, of NA worldwide.

In addition, and the World Board said it best: ***“There’s a sense of pride when we can see the results of discussions and decisions after reading the CAR. When we see a particular piece of literature on the rack at our meetings and we can say to ourselves, “I voted on that piece,” we feel connected to NA in a way that we may not have felt before. It’s our chance to be part of that “collective expression” our Mission Statement talks about.”***

Q: How do I take part in this whole CAR/CAT process?

A: Each Group has an opportunity to learn about, and vote on, the motions contained within the CAR/CAT. The Group Service Representative (“GSR”) learns about the motions by attending a CAR/CAT workshop. The GSR then holds a meeting with their group (suggested as a separate one from the business or regular meeting) to explain the motions and conduct voting.

Q: How are votes reported?

A: At their local Area Service Committee (ASC) meeting, the GSR gives the Regional Committee Member (RCM) their Group’s votes. The RCM brings votes to the regional meeting where they will upload them with the help of the secretary team. Or the Group can place their votes online at <https://naflorida.org/gsr>. Then the delegate team (“RD /AD”) at the Regional Service Committee (RSC) meeting reviews the votes and reports the outcome to the regional body. The delegate team then carries the votes from the Region and presents them at the WSC.

Q: What is the FIPT?

A: FIPT (Fellowship Intellectual Property Trust) is the legal document that outlines (in detail) the relationship between Narcotics Anonymous World Services, Inc. and the Fellowship as a whole. Basically, NAWS holds the copyrights to the Fellowship's property (recovery literature, the service symbol, the NA symbol, and the original group logo) on behalf of the Fellowship. NAWS is accountable to the Fellowship through elected delegates and ultimately the registered groups of Narcotics Anonymous.

Strategic Planning moving forward July 27, 2024

9:05am Workshop opened with third step prayer

Mat reviewed and gave an overview and synopsis of the proposal for Having FD addressing Concerns as part of the zone format . He asked if everyone understood the concept .

Concerns asked and responded to.

- not considered a strategic plan more like Revamping Regional Reports and structuring
- Included in strategic planning looking at it years for now and see if its working
- Agreement the proposal covers what was done at the strategic planning.
- Areas Should not be able to go straight to the zone . Having Resources or being a resource makes better sense .
- The zone has help in giving RD/AD a voice for regional concerns
- The zone is a place for Delegates to ask for help
- We do not need to reinvent the wheel . Incorporate a Service portal where members can reach out that need help
- Should focus on overall the entire region as a whole and not local group concerns .
- Figure out what we do well and focus on what doesn't take a lot of people to do
- Define Strategic plan= Vision for long term Positive impact . Think big large scale
- Create a brochure outlining what Zonal services are .The zone fills the gap disconnect at world service level

ACTIONS

- Web servant Request that everyone check out the NEZD -FD Let her know if this is something the SEZF would like she will get with Steve to make it Happen
- The facilitator :The concept is that everyone would like to try what's being proposed

Proposal

1. How should we move Forward

- Rank the list ask for some one to lead it .
- Review the three topic on first page

Primary Topic

- Building a platform for FD
- Carlos to Facilitate
- Those who want to participate are to contact Carlos

Suggestion To have 1 person from each Region Participate

Purpose of the workgroup led by Carlos: To develop a strategic approach for the top priority set by the SEZF of "building a platform for fellowship development." This plan is due by the December SEZF meeting for review and approval. This plan should include a detailed approach including a timeline, potential budget, suggestions on who does what, and measurable goals. This approach might include ways to make the zone a more useful resource for the regions and might inspire new members to service

FACILITATOR REPORT

Still working on a hotel for December will bring up in new business the possibility of virtual meeting in December . There will be a loss of \$600

Secretary Report / Treasurer Report

Hello all as your incoming secretary, I would like to thank you guys for your patience.

The available balance as of June 30th 2024 \$7,731.85

In July, a check was deposited for \$85. Food purchased at the hotel \$122.43 Bring the current account balance of \$7,694.42.

Courage to Change group has been writing us checks for use of our Zoom account when needed. The \$85 check that was deposited is two years old due to discrepancies at RSO. I am unsure whether this group is still meeting I intend to research this concern.

I have included expenses in July that have not been reconciled at the bank yet. These will include the travel expenses for trust and servants will include airfare, hotel stay, and stipends.

Once reconciled the ending bank balance will be \$5,901.85.

Matt has requested the amount of \$527.47 for reimbursement for the hotel in December. It is our hope we can put the remainder of the balance for the hotel's zonal room on the zone card.

We have changed over the Zoom platform to the Zonal account for \$499.99, which will continue to be paid on September 9th each year.

The Regional Delegates have requested both the Treasure address and the RSO Delegates can choose how they want to send Donations

A request was made for the treasurer to keep a running spreadsheet of donations for the regions , to be presented by the next zonal meeting

I am requesting a motion to add to the budget a secretary budget for printing when needed. The requested amount is \$450 budget for 3 years with adjustments to occur when new budget is set for 2027-2029.

Web servant Report - July 2024

Steve S has been working hard to get the new zonal site built. There's just a few more tweaks and the "public" side of it will be ready to go. Steve works really fast and will probably have it ready pretty quickly. You can check out progress on the new site, by going here: <https://skipdns.link/sezforg>. Also, can the delegates please go here <https://sezforg.skipdns.link/service-committees/> and double check all the info for the areas within their regions?

I'm also going to discuss creating a Fellowship Development page on the website in the members section similar to what is on nezf.org/fd.

I've pulled all the cloud recordings off of the zoom accounts and put them in the web servant drive but Matt will be moving them to his account that has a lot more storage.

One of the things I would like to ask this body's blessing for is to approach the Florida Region to possibly add our sezf.org domain to their Google Workspace. Because they have 501c3 non-profit status they have access to Google Workspace for free. And there is the ability to add other domains under their account umbrella. If they're ok with doing this, it would allow us to have access to easily managed email addresses, our own shared Google Drive storage as well as easily being able to set up and maintain groups for the various task forces.

Other than that, all is well!

ALNWFL AD JULY SEZ REPORT

Hello SEZ participants.

ALNWFL Region has 8 active area and 1 inactive area, 112 groups, & supports 37 H& and

P.I meetings. Our phone number is (256) 500-8889.

We do not have any concerns to bring to the SEZ. The prior concern expressed at last SEZ. Where a member participating in MAT asked to become a trusted servant that request was denied despite having great discussions and doing their due diligence and did not decide to allow someone on MAT/DRT to be a trusted servant.

Our regional annual spiritual retreat "Surrender in the Mountains" is September 20-22, 2024 at Cheaha State Park (Oxford, Alabama). Currently only campsites are available in the park. We have contracted with hotels "down the mountain" for people to stay at instead of camping. Our regional convention "Fun In The Sun" is April 22-24, 2025 in Panama City, Florida at the Boardwalk Hotel. It was a very successful event despite it's beginning struggles.

Thank ya'all. If you have any questions or need John or I at any time, then please contact by email or phone. My email is john.chris.montanari@gmail.com and phone is (256) 500-8889, and mine is johnr2795@gmail.com phone number 251-554-9286

Florida Region Report to SEZF for March 16. 2024

Hello Family and thank you for attending the 10 th Florida Regional Symposium.

The Florida Region is made up of 3 countries, Florida – USA, Bermuda, and Trinidad/Tobago. Our region is operating nearly at full capacity with trusted servants including the positions of Facilitator, Co-Facilitator, RD, AD, Secretary, Alt Secretary, Alternate Treasurer, Fellowship Development Leader, Fellowship Development Co-Leader, PR Resource Coordinator, Alternate PR Resource Coordinator, H&I Resource Coordinator, IT Resource Coordinator, Human Resource Panel Leader and four Human Resource Panel members.

Our vacant positions are Treasurer and Corrections Resource Coordinator.

The Florida Region operates by CBDM and is project based through Fellowship Development. At this time, our Areas are on a steady up swing regenerating and revitalizing our groups.

Georgia Region Report

Greetings; The Georgia Region continues to thrive and grow after the pandemic. Subcommittees seem to be coming back online slowly. We just held elections and are in the process of creating our fiscal budgets. Also, we are in the process of applying for nonprofit as a region. We still are having difficulty finding an insurance policy that will cover our groups. Me and Joe had discussions with the RCMs at our

last meeting. One thing we realized was our area's elections did not coincide with the regional elections. Hopefully this is something our areas will address as it is an important part of the continuity process. With RCMs not ending their terms at the same time they cannot possibly take nominations for administrative positions at region. This leaves us cycling old members around the admin like musical chairs. I had thought about introducing a topic for term limits, but I believe this problem is something that's going to take more than just policy to fix. A lot of times we reach for the easiest solution like "well let's just put it in policy". When what we really need is a change in our attitudes towards the principle of rotation. That willingness needs to come from two directions. Those that have served for many years and those that have not been willing to step up. Any suggestions or ideas on this would be greatly appreciated.

Thanks for letting me rant.

North Carolina Regional Report

Greetings trusted servants-

Things proceed well in the NC Region. Our current numbers for active meetings, both in-person and virtual, remain relatively stable. Some groups still struggle with regaining their former attendance prior to the pandemic, which obviously is common across the Fellowship. Our RSC meetings remain hybrid, which we expect to continue doing for the foreseeable future.

We have begun to work on some new PR initiatives with the election of a PR subcommittee chair (finally). We have recently done a presentation for a large program dealing with re-entry for women incarcerated in the state prison system. The presentation went well, and the staff at the local elements of that program have been connected with local service committees. We have also begun working to resume attendance at professional events, having recently coordinated with Carolina Region to table at the NC One Community in Recovery conference. Efforts are being made to explore other professional events we might attend.

IDT workshops have been provided by the delegate team in two of our member areas, and those workshops were well received. We have at least one more area actively requesting a workshop, pending scheduling, and shortly we will be beginning to try and be more proactive in setting these up in the remaining member areas. There is also hope to coordinate several of these workshops with the Carolina Region for the areas that are in Carolina Region while also being in North Carolina rather than South.

In communicating with the local Fellowship, the delegate team continues to post quarterly reports to a blog in the regional website, in the hopes that making this information more available to higher levels of service will increase information flow and involvement in the work at hand.

We look forward to seeing everyone in the Raleigh-Durham area in July, and please let us know if there are additional needs or issues we can help to address.

South Florida

Hello family,

Our region met June 23 rd .11 of 18 Areas were present. It was a hybrid meeting as we met in person at the Hyatt in Miami. It is customary for our June RSC to be held in the SFRCA host hotel.

Our next meeting will be in Aug 17-18 on Zoom. Meeting information:

<https://zoom.us/j/97849167545?pwd=Rjc1UWlaeDITMU5qbFZXdEFOTkdKZz09>

Meeting ID: 978 4916 7545

Passcode: sfrna

We brought nominations and acclamations for our Admin and subcommittee positions. This unfortunately brought some drama to our RSC. Our Vice Chair was acclimated to Chair at our April RSC, however some concerns about the way he conducts himself during committee meetings and some of his personal communications with various trusted servants was creating disruption and a lack of willingness to serve for those individuals and other trusted servants. A motion was made to remove him from his position. During that discussion, he resigned his position. We were able to retain our current chair and take a nomination for Vice Chair. We still have open positions for Secretary, Assistant Treasurer, Newsletter, Outreach, Additional Needs POC.

Our Areas continue to conduct business at their ASCs with subcommittees experiencing the normal challenges with H&I and PR. We did have one Area, the Beach and Bay Area, dissolve after struggling to find willingness to find trusted servants. North Dade has helped in bringing meetings from Beach and Bay into their Area.

In February, Mahdi and I have conducted a Fellowship Development workshop at our RSC. Much love and gratitude for the Florida Regions FD team for volunteering to come visit and our RSC to put on that workshop. At our June RSC we had an IDT workshop and were able to address 2 or the 4 IDTs. We will be conducting another workshop in the coming RSCs. Our Region continues to struggle to stay above our prudent reserve, so we have not been able to make contributions outside of our Region.

Our Regional Convention SFRCA will be held September 20-22 at the Hyatt Regency in Miami. <https://sfrca.net>

SEZF PR Task Force Report

Task Force meetings:

5/22/2024: There were 3 in attendance (Kristen N. Carolina Region, Charles, a member at large from Forest area of the Florida region and me).

1) We did talk about why PR week was not having an event. This was despite Carolina and N. Carolina Regions doing the best they could to make something list for me today. We concluded and decided that I would work on getting a current contact list of all the PR enthusiasts from the participating regions in the zone. We also made a goal of starting to put together for next years 2025 PR week in January of 2025.

2) Kristin from N. Carolina suggested and wants to attempt to see if we can for the SEZF that would go out to all the regions.

3) Suggestion was made to set up a Whats app for the Tasc Force to communicate.

6/28/24 There was no meeting as I could not get into the zonal Zoom platform. This has now been corrected.

7/24/2024: I spoke to Matt and he sent me an old list of PR members and I did an email blast this past Tuesday 7/23/2024. We had 5 in attendance on Wednesday 7/24/2024 (Charles D., the Forest area PR chair and soon to be elected alt PR resource coordinator of the Florida Region, Kristin F - PR from N. Carolina Region, Karen H. - PR From the Carolina region, Hayley C who is an RCM in the Alabama region, and me)

1. Hayley explained she was here to learn as there is no PR in her area or Region at this time and wants to somehow make it happen. She was told to bring back the information we gave her as well as informing areas and the Region that the Task Force is here to serve our member regions' PR efforts. The Task Force objective is to build communication throughout the PR efforts of the member regions and areas and to assist regions in furthering their PR goals.

2. Charles from the Forest area in the Florida Region was interested in finding what direction PR should be going in. He also informed us that his area, the Forest Area in the Florida Region, may be doing an event for PR week. He also reported that he was going into Marion County Jail to do a presentation and help a neighboring area in doing so.
3. Kristin F. presented an idea that she wants to test in her region for communication to professionals and if it works to make it a shared system for the Zone and member regions. I am including here a short summary of this project and would like it to be a proposal or motion for approval to move forward on this if it is successful in the N. Carolina region.

Possible future Proposal/Motion:

Experiment - NA Professional Outreach Initiative: Strengthening Connections through Quarterly Communications

Members of the PR Task Force of SEZF are planning to test a digital communication platform where automated, ongoing email newsletters can be created for different service bodies. Initial testing will involve building and sending a test newsletter with the North Carolina Region, collaborating with the SEZF PR committee to evaluate the process, and assessing how the system works with various service bodies. We will also evaluate procedures for managing contacts, test the setup process, and review potential uses by different service bodies.

The project's goal is to evaluate how a digital communication platform for ongoing quarterly emails to professionals and contacts in NA would work. Our objectives are to ensure consistent follow-up, maintain reliable communication, strengthen adherence to NA's traditions, and maintain productive professional relationships. For testing, we would take the necessary steps to test and implement the platform, starting with the North Carolina Region and potentially expanding based on results. We plan to use MailChimp, and there is no cost to create a test account, and we can have up to 500 contacts in the system.

Our current emails to professional's approach lacks consistent follow-up, and frequent changes in key contacts make communication difficult. Implementing a shared digital communication platform has potential to help address these issues, ensuring ongoing, reliable communication and enhancing NA's ability to carry its message effectively. This system, accessible to interested service bodies, allows for multiple newsletters and editors, fostering stronger communication. Creating a zonal forum system will share expertise, support, and resources, similar to BMLT and YAP systems. Using a marketing automation tool like Mailchimp could facilitate this process.

4. Karen H from the Carolina region was at a PR event during this meeting at a County Mental Health Conference where she had a PR booth and was an exhibitor. She informed us that she is letting go of the PR chair of the region after 6 years but there is no one to fill the position as of yet. She informed the Task Force that there will be a symposium in Weddington, N. Carolina on

Saturday, September 28 from 9am to 9pm. She informed me that Rich W. is coordinating it and I am attempting to get his number so I can make contact with him and see how we can help.

Leader Report:

1. Last time I spoke with this body, I asked each of you to bring a list of PR contacts in your region to me at this Zonal Forum meeting. I am seriously hoping to get that as you see participation in the Task Force has not been good despite getting some things done. My email address in joel_bergman@msn.com
2. The last item I have is that we have not been functioning at the Task Force with a facilitator and liaison since I have been here as task force leader. I am including here a new paragraph to take the place of Paragraph 2 (Facilitator) and paragraph 3 (SEZF Liaison). Intent for this is to have the guidelines match how we currently function. The replacement paragraph is as follows:

Facilitator/Leader:

Facilitates meetings using CBDM so should have experience with CBDM. Assists with scheduling meetings with other required personnel. Works with secretary to set agenda for meetings. Is responsible for recording Zoom meetings. Appoints project leaders with agreement of the Task Force. Is responsible for Zoom login and hosting of all Zoom meetings of the task force. Provides Zoom login to Project leaders when necessary. Prepares and submits task force reports for meetings of the SEZF. Assumes responsibility of Secretary in their absence. Assists with scheduling of meetings with other required personnel. Suggested to be a seated delegate of the SEZF, but not required. Writes and arranges for all proposals that need to be brought to the SEZF. Is not a funded position at the SEZF. The position is a 2-year term. Elected in July of odd numbered years. Is considered required personnel.

RBZ Questions

We suggest using the following questions when interviewing or considering an RBZ candidate. (Candidate responses are intended to help your service body in their deliberation process, no need to forward responses to the HRP.) Feel free to add, edit, or remove any questions as your committee deems helpful to your process.

How have you shown consistency and follow-through in service?

I have completed every commitment I've ever accepted in service. I've also gone to great lengths to make sure I understood what was expected of me and completed the tasks assigned to me.

What challenges do you have when functioning as a part of a team?

The biggest challenges of team settings for me have always been conflicting personalities. This can be overcome by agreeing that we are there for the same reason, and that working together can help us all achieve our common goals.

What do you do to prepare for a service meeting?

I'll typically read the guidelines or policy, and whatever material is available on what we are there to do or discuss. Depending on my role I will also usually spend time between meetings building relationships with the other people involved. People who recover together work well together, regardless of politics or different viewpoints.

What do you know about the position you are interested in?

I know the processes, the reason we are there, and what we mean to accomplish. I also understand ^{how challenging this body can be to facilitate, having been there 4.5 times, I welcome that challenge} and the growth that comes with it.

What experience or knowledge do you have regarding NA World Services?

I attended 2 conferences prior to becoming a participant, served a term as AD and a term as RD, I've been involved in focus groups. As SEZF Facilitator I have also continued to attend all the CP meetings and strategic planning sessions as well.

Why should we recommend you for this role?

Beyond my facilitation experience, and my familiarity with the service structure as whole, I have spent the majority of my time in service striving to bring people together and find a middle ground. I've been known as a good active listener and understand the mission of the conference and NA services

Hello everyone,

On July 1, 2024, the opening bank balance was \$30,915.77. After deposits of \$18,798.40 and expenses of 7,539.92 on August 31, 2024, the ending book balance was \$42,174.25. After deducting \$10,000.00 withheld for the next RSC, the Prudent Reserve of \$11,000.00, the GSR Assembly Reserve of \$4,800.00, and the Florida Service Symposium Reserve of \$5,250.00 the available balance was \$11,124.25. After discussion, I proposed to withhold the Island Nation travel budgeted amount of \$4,200.00 from the donation to NAWS. A check was written to NAWS for \$7,124.25.

As of RSC held on September 15, 2024, we received \$1,450.29 in income and had \$6,675.65 in expenses. Additionally, we allocated the monthly reserve of \$350.00 for the GSR Assembly & \$800.00 the Florida Service Symposium. Therefore, after RSC business the available balance was 548.89.

*This does not match what was read on the floor due to adjustments during final reconciling prior to submitting reports.
